Applicants (other than federally-recognized Indian tribal governments) should contact their State SPOCs as early as possible to alert them to the prospective applications and receive any necessary instructions on the State process. For proposed projects serving more than one State, the applicant is advised to contact the SPOC of each affected State. The due date for State process recommendations is 60 days after the application deadline for new and competing awards. The granting agency does not guarantee to "accommodate or explain" for State process recommendations it receives after that date.

SUPPLEMENTARY INFORMATION: This Notice informs the public that the Department of Housing and Urban Development has submitted to OMB, for emergency processing, "One Strike and You're Out" Progress Questionnaire.

On March 28, 1996, the President announced a "One Strike and You're Out" policy for public housing residents. In addition to reiterating the existing screening and eviction authority of Public Housing Agencies (PHAs) the "One Strike" policy includes: (1) A new authority for PHAs to deny occupancy on the basis of illegal drug-related activities and alcohol abuse when such abuse leads to behavior that threatens the health, safety, or peaceful enjoyment of the premises by other residents, and (2) a revision to the Public Housing Management Assessment Program (PHMAP) system, to include a new evaluation component on security that measures PHA

performance in implementing effective screening and eviction policies and other anti-crime strategies.

The questionnaire will help HUD to determine the progress PHAs have made in 1996 towards implementing this important crime reduction and lease enforcement strategy. The information will be used to help the Department determine what kind of training resources, instruction and technical assistance will be required in 1997 for successful implementation of the "One Strike" policy.

The Department has submitted the proposal for the collection of information to OMB for review, as required by the Paperwork Reduction Act (44 U.S.C. Chapter 35). The Department has requested emergency clearance of the collection of information, as described below, with approval being sought by January 30, 1997:

(1) Title of the information collection proposal: "One Strike and You're Out" Progress Questionnaire.

(2) Summary of the collection of information: PHAs will answer ten questions concerning implementation of the "One Strike and You're Out" policy in Notice PIH 96-16 (HA), dated April 12, 1996.

(3) Description of the need for the information and its proposed use: HUD will use the information to determine
