SUPPLEMENTARY INFORMATION: This Notice informs the public that the Department of Housing and Urban Development has submitted to OMB, for emergency processing, "One Strike and You're Out" Progress Questionnaire.

On March 28, 1996, the President announced a "One Strike and You're Out" policy for public housing residents. In addition to reiterating the existing screening and eviction authority of Public Housing Agencies (PHAs) the "One Strike" policy includes: (1) A new authority for PHAs to deny occupancy on the basis of illegal drug-related activities and alcohol abuse when such abuse leads to behavior that threatens the health, safety, or peaceful enjoyment of the premises by other residents, and (2) a revision to the Public Housing Management Assessment Program (PHMAP) system, to include a new evaluation component on security that measures PHA

performance in implementing effective screening and eviction policies and other anti-crime strategies.

The questionnaire will help HUD to determine the progress PHAs have made in 1996 towards implementing this important crime reduction and lease enforcement strategy. The information will be used to help the Department determine what kind of training resources, instruction and technical assistance will be required in 1997 for successful implementation of the "One Strike" policy.

(2) Summary of the collection of information: PHAs will answer ten questions concerning implementation of the "One Strike and You're Out" policy in Notice PIH 96-16 (HA), dated April 12, 1996.

(3) Description of the need for the information and its proposed use: HUD will use the information to determine

where training and technical assistance efforts will be best employed in 1997. The information will also help HUD monitor the progress of PHAs implementing the "One Strike" policy to ensure that our nation's neediest citizens can live in peace and safety that they deserve.

(4) Description of the likely respondents, and proposed frequency of response to the collection of information: State, Local Governments will submit the questionnaire one-time.

(5) Estimate of the total reporting burden that will result from the collection of information.
