Notice of Submission of Proposed Information Collection to OMB

AGENCY: Office of the Assistant Secretary for Housing-Federal Housing Commission, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for emergency review and approval, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal. **DATES:** Comments due date: August 6, 1997.

SUPPLEMENTARY INFORMATION: This Notice informs the public that the Department of Housing and Urban Development (HUD) has submitted to OMB, for emergency processing, an information collection package with respect to the Single Family Property

Disposition Officer Next Door Sales Program. HUD is seeking OMB approval by August 15, 1997.

HUD's regulations at 24 CFR part 291, Disposition of HUD-Acquired Property, allow the Secretary to sell properties to nonprofit organizations and governmental entities on a direct sales basis at a discount off the list price for use in HUD and local housing or homeless programs. Part 291 also permits HUD to make direct sales to other individuals if a finding is made by the Assistant Secretary for Housing-Federal Housing Commissioner that such sales would further the goals of the National Housing Act. HUD issued a waiver to increase the discount on these sales for one year to 50% and a finding to permit direct sales to police officers. The direct sale of HUD-owned properties to police officers will further the goals of the National Housing Act (12 U.S.C. 1701 *et seq.*) and will be in the best interest of the Secretary. Local offices will be authorized to offer insurable and uninsurable properties located in Revitalization Areas to police officers on a direct sales basis with the larger discount. HUD will continue to offer uninsurable properties located in Revitalization Areas on a direct sales basis to preapproved nonprofit organizations and governmental entities.

HUD wants to strengthen America's communities and build a safer nation. Governmental agencies, nonprofit organizations, and police officers are being given the opportunity to purchase HUD-owned properties at discounts and using them to promote safety in neighborhoods.

In view of the discount being offered, police officers are being required to provide a Police Officer Certification, HUD 9548-A. This collection contains a certification of employment as well as the police officer's occupancy certification.

Governmental agencies and preapproved nonprofit organizations can either purchase a HUD-owned property and sell it to the police Officer or provide the Police officer Certification, HUD 9548-A and Assignment of Sales Contract, HUD 9548-C, which allows HUD to sell the property directly to the policy officer. This second option eliminates the need for dual closings and associated added costs.

To ensure understanding and compliance with the resale restrictions, governmental agencies and preapproved nonprofit organizations will be required to complete a Land Use Restriction Addendum. The intent of this
