BILLING CODE 4162-20-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4240-C-02]

Notice of Funding Availability Community Partnerships for Resident Uplift and Economic Development; Correction

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Notice of funding availability (NOFA); correction.

SUMMARY: On July 29, 1997 (62 FR 40642), a notice was published in the **Federal Register** announcing the availability of approximately \$5 million in FY 1997 funding under a joint initiative sponsored by HUD, the Department of Health and Human Services, the Department of Agriculture, and the Boys & Girls Clubs of America. The purpose of the initiative, entitled "Community Partnerships for Resident Uplift and Economic Development," is to create neighborhood-based programs to move families residing in public housing and the adjacent neighborhood from welfare to self-sufficiency. The July 29, 1997 NOFA contained a typographical error in the section specifying the necessary Public Housing Management Assessment Program score for Housing Authority co-applicants. This document makes the necessary correction.

DATES: This notice does not affect the deadline date provided in the July 29,

1997 NOFA. Applications must still be physically received at the correct HUD Headquarters Office on or before September 12, 1997 at 3:00 pm, local time.

FOR FURTHER INFORMATION CONTACT:

Patricia Arnaudo, Office of Community Relations and Involvement, 451 7th Street SW, Washington, DC 20410, telephone (202) 619-8201 (this is not a toll-free number). Hearing or speech-impaired individuals may access this number via TTY by calling the toll-free Federal Information Relay Service at 1-800-877-8339.

SUPPLEMENTARY INFORMATION: On July 29, 1997 (62 FR 40642), a NOFA was published in the **Federal Register** announcing the availability of approximately \$5 million in FY 1997 funding under a joint initiative entitled "Community Partnerships for Resident Uplift and Economic Development." The sponsors of this initiative are three separate Federal departments (HUD, the Department of Health and Human Services, and the Department of Agriculture), as well as a major national private sector organization (the Boys & Girls Club of America).

The purpose of the joint initiative is to create neighborhood-based programs to move families residing in public housing and the adjacent neighborhood from welfare to self-sufficiency. To accomplish this, the sponsors are pursuing and linking two (2) primary strategies:

1. Encourage the creation of employment and business development opportunities for low-income people through business, physical or commercial development in the neighborhood; and
2. Provide an array of supportive services in neighborhood-based comprehensive service centers (and accessible to persons with disabilities) to enable participants to successfully make and sustain the transition to self-sufficiency.

Among other application requirements, the July 29, 1997 NOFA specified the necessary Public Housing Management Assessment Program (PHMAP) score for Housing Authority (HA) co-applicants. This section of the NOFA contained a typographical error. Specifically, the July 29, 1997 NOFA provided that an HA co-applicant must provide documentation that its most recent PHMAP score included an overall "B" average (62 FR 40649). The NOFA should have correctly required an overall "C" average on the HA's most recent PHMAP score. This document makes the necessary correction.

Accordingly, FR Doc. 97-19917, Notice of Funding Availability for the Community Partnerships for Resident Uplift and Economic Development, published in the **Federal Register** on July 29, 1997 (62 FR 40642), is corrected as follows:

1. On page 40649, first column, paragraph (9), PHMAP Score, is corrected to read as follows:

(9) *PHMAP Score:* An HA co-applicant must provide documentation that its last Public Housing Management Assessment Program (PHMAP) score included an overall "C" average, as well as a "C" on Indicator #7, Resident Services and Community Building, and a "C" on Indicator 6(a), Operating Reserves. (See 24 CFR Part 901 published December 30, 1996.) If the HA's most recent PHMAP score was based on the prior PHMAP regulation, the HA must provide documentation that its overall score included an overall "C" average, as well as a "C" on Indicator #11, Resident Initiatives, and at least a "C" on Indicator #9, Operating Reserve. No HA co-applicant designated as "troubled" as a result of its most recent PHMAP score is eligible for this initiative.

Dated: August 5, 1997.

Kevin Emanuel Marchman,

Acting Assistant Secretary for Public and Indian Housing.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4235-N-15]

Federal Property Suitable as Facilities to Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT: Mark Johnston, room 7256, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1226; TDD number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and

section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.
