Texas Eastern Transmission Corporation; Notice of Compliance Filing

August 5, 1997.

Take notice that on August 1, 1997, Texas Eastern Transmission Corporation (Texas Eastern) tendered for filing as part of its FERC Gas Tariff, Sixth Revised Volume No. 1 and Original Volume No. 2, revised tariff sheets listed on Appendix A to the filing with a proposed effective date of September 1, 1997.

Texas Eastern asserts that the purpose of this filing is to comply with the Stipulation and Agreement (S&A) approved by the Commission in Docket Nos. RP90-119 et al., in order to remove costs associated with the merger between Panhandle Eastern Corporation and Texas Eastern and as a result reduce Texas Eastern's system rates by approximately \$4.7 million annually. Texas Eastern also states that Article I, Section 4 of the S&A provides that the compliance filing removing the Consolidation Costs will not constitute a new Section 4 filing, will not be subject to suspension and will be subject to review on the sole question of whether it accurately implements Article I, Section 4 of the S&A.

Texas Eastern states that copies of this filing were served on firm customers of Texas Eastern, interested state commissions, current interruptible customers and all parties to the S&A.

Any person desiring to protect this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with § 385.211 of the Commission's Rules and Regulations.
