Denver City Energy Associates, L.P.; Notice of Filing

August 13, 1997.

Take notice that Denver City Energy Associates, L.P. (DCE) on August 4, 1997, tendered for filing an initial rate schedule and request for certain waivers and authorizations pursuant to Section 35.12 of the Federal Energy Regulatory Commission's (the Commission) Regulations. The initial rate schedule provides for the sale of the output of DCE's ownership share of the Mustang Station, a generation unit to be located near Denver City, Texas to Golden Spread Electric Cooperative, Inc. (Golden Spread) and to other third parties, if necessary. DCE requests the Commission to set an effective date for the rate schedule on the date which is sixty (60) days from the date of this filing or the date the Commission issues an order accepting the rate schedule, whichever occurs first.

Copies of the filing were served upon DCE's jurisdictional customer, Golden Electric Cooperative, Inc., and its counsel. A copy of the filing was also served upon the Public Utility Commission of Texas.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before August 22, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

Equitrans, L.P.; Notice of Proposed Changes in FERC Gas Tariff

August 13, 1997.

Take notice that on August 11, 1997, Equitrans, L.P. (Equitrans) tendered for filing as part of its FERC Gas Tariff revised tariff sheets in compliance with the Commission's Order Accepting and Suspending Tariff Sheets and Establishing Hearing issued on July 31, 1997 (the July 31 Order). Equitrans proposes primary and alternate tariff sheets both bearing an effective date of August 1, 1997.

Equitrans states that the primary sheets reflect the recalculation of rates based on the return on equity level mandated in the Commission's July 31 Order. Equitrans states that the alternate sheets reflect the recalculation of the rates based on the return on equity proposed in Equitrans' April 30, 1997 rate filing. Both the primary and alternate rate sheets reflect the elimination of Equitrans' proposed refunctionalization of facilities in accordance with the July 31 Order. Equitrans also filed a protest to the requirement that the primary tariff sheets be placed into effect.

Equitrans requests a waiver of Section 154.206 of the Commission's Regulations and any other regulations necessary to permit the rates proposed herein to take effect on August 1, 1997.

Equitrans states that copies of this rate filing were served on Equitrans' jurisdictional customers and interested state commissions.

Any person desiring to protest the filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20046, in accordance with Section 385.211 of the Commission's Rules of Practice and Procedure. All such protests should be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining appropriate action, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection.
