Special Local Regulations for Marine Events; Norfolk Harbor, Elizabeth River, Norfolk, Virginia and Portsmouth, Virginia

AGENCY: Coast Guard, DOT.

ACTION: Final rule.

SUMMARY: The Coast Guard is amending permanent special local regulations established for marine events held in the Norfolk Harbor, Elizabeth River, between Norfolk and Portsmouth, Virginia, by identifying specific annual events for which the regulated area will be in effect. This rule updates the regulation in order to enhance the safety of life and property during the events.

EFFECTIVE DATE: This final rule is effective on June 6, 1997.

FOR FURTHER INFORMATION CONTACT: S.L. Phillips, Project Manager, Search and Rescue Branch, at (757) 398-6204.

SUPPLEMENTARY INFORMATION:

Regulatory History

On February 21, 1997, the Coast Guard published a notice of proposed rulemaking entitled Special Local Regulations for Marine Events; Norfolk Harbor, Elizabeth River, Norfolk, Virginia and Portsmouth, Virginia, in the **Federal Register** (62 FR 7969). The Coast Guard received no comments on the proposed rulemaking. No public hearing was requested, and none was held. The final rule was inadvertently published as a quarterly on 8 August 1997 (62 FR 42671).

Background and Purpose

33 CFR 100.501 established special local regulations for marine events held in the Norfolk Harbor, Elizabeth River, between Norfolk and Portsmouth, Virginia. The effect of these regulations is the control of vessel traffic during marine events to enhance the safety of participants, spectators, and transiting vessels. The regulations are implemented at various times, for various events throughout the year by publishing notice in the **Federal Register** and the Fifth Coast Guard District Local Notice to Mariners. This rule updates the regulations to reflect specific events for which the regulated area will be in effect.

Discussion of Comments and Changes

The Coast Guard received no comments on the proposed rulemaking; however, the Coast Guard has learned that the sponsoring organization for the Harborfest event will be Festevents, Ltd. Therefore, Table 1 of the proposed rule has been amended to reflect this change.

Good Cause Statement

This final rule is effective in less than 30 days because it is contrary to the public interest to delay the effective date because timely action is required to protect vessel traffic and event participants during these events.

Regulatory Evaluation

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. It has been exempted from review by the Office of Management and Budget under that order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979). The Coast Guard expects the economic impact of this final rule to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of DOT is unnecessary. This rule merely changes the effective period of an existing regulation and does not impose any new restrictions on vessel traffic.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the Coast Guard must consider whether this rule will have a significant economic impact on a substantial number of small entities. "Small entities" include independently owned and operated small businesses that are not dominant in their field and that otherwise qualify as "small business concerns" under section 3 of the Small Business Act (15 U.S.C. 632). This rule does not impose any new restrictions on vessel traffic, but merely changes the effective period of the regulation. Therefore, the Coast Guard certifies under Section 605(b) of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) that this final rule will not have a significant economic impact on a substantial number of small entities.

Collection of Information

This final rule contains no collection of information requirement under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

Federalism

The Coast Guard has analyzed this rule under the principles and criteria contained in Executive Order 12612 and has determined that this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Environment

The Coast Guard considered the environmental impact of this rule and concluded that, under section 2.b.2.e(34)(h) of Commandant Instruction M16475.1b (as amended, 61 FR 13564; 27 March 1996), this rule is categorically excluded from further environmental documentation.

Safety Zone: Harbor Festival Fireworks Display, Greenport, NY

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone, September 27, 1997, for the Harbor Festival Fireworks Display to be held in Greenport Harbor, Greenport, NY. This temporary safety zone is needed to protect persons, facilities, vessels and others in the maritime community from the safety hazards associated with this fireworks display. Entry into this safety zone is prohibited unless authorized by the Capital of the Port or the Coast Guard Patrol Commander.

EFFECTIVE DATE: This regulation is effective September 27, 1997, from 8:45 p.m. until 10:15 p.m.

ADDRESSES: Documents relating to this temporary final rule are available for inspection and copying at U.S. Coast Guard Group Long Island Sound, 120 Woodward Ave., New Haven, CT 06512. Normal office hours are between 8:00 a.m. and 4:00 p.m., Monday through Friday, except holidays. Comments may also be faxed to this address. Our fax number is (203) 468-4445.

FOR FURTHER INFORMATION CONTACT: Lieutenant Commander T.J. Walker, Chief of Port Operations, Captain of the Port, Long Island Sound at (203) 468-4444.

SUPPLEMENTARY INFORMATION:

Regulatory History

Pursuant to 5 U.S.C. 553, good cause exists for not publishing a notice of proposed rulemaking (NPRM) and for making this rule effective in less than 30

days after Federal Register publication. The sponsor of the event did not provide the Coast Guard with the final details for the event in sufficient time to publish a NPRM or a final rule 30 days in advance. The delay encountered if normal rulemaking procedures were followed would effectively cancel the event. Cancellation of this event is contrary to the public interest since the fireworks display is for the benefit of the public.

Background and Purpose

The sponsor, East End Maritime Museum, of Greenport, NY, requested that a fireworks display be permitted in Greenport Harbor, Greenport, NY. This regulation establishes a temporary safety zone in all waters of Greenport Harbor within a 600 foot radius of the fireworks barges. The safety zone is in effect on September 27, 1997, from 8:45 p.m. until 10:15 p.m. and is necessary to protect the maritime community from the safety hazards associated with this fireworks display. Entry into or movement within this zone will be prohibited unless authorized by the Captain of the Port or the Coast Guard Patrol Commander.

Regulatory Evaluation

This temporary final rule is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order.

It has not been reviewed by the Office of Management and Budget under that order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979). The Coast Guard expects the economic impact of this rule to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of DOT is unnecessary. Entry into this zone will be restricted for a brief period of time on September 27, 1997, the effect of this regulation will not be significant for several reasons: the duration of the event is limited; the event is at a late hour; and extensive, advance maritime advisories will be made.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601 et seq.), the Coast Guard considers whether this proposal will have a significant economic impact on a substantial number of small entities. Small entities include small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and
