*The Canadian Pork Council's request lists 99 individual producers, one marketing group, and seven marketing boards. The Department has determined that it is not practicable to conduct company-specific reviews of the order on *Live Swine from Canada* because a large number of exporters and producers requested the review. Therefore, pursuant to section 777A(e)(2)(B) of the Tariff Act of 1930, as amended, the Department will conduct a country-wide review on the basis of aggregate data. We note the investigation and all prior reviews of this order have been conducted on an aggregate basis.

The requester must include the name(s) of the exporter or producer for which the inquiry is requested.

For transition orders defined in section 751(c)(6) of the Act, the Secretary will apply paragraph (j)(1) of this section to any administrative review initiated in 1996 or 1998 (19 CFR 351.213(j)(1-2)).
