FEDERAL RESERVE SYSTEM

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Board of Governors of the Federal Reserve System
ACTION: Notice

Background:

On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board of Governors of the Federal Reserve System (Board) its approval authority under the Paperwork Reduction Act, as per 5 CFR 1320.16, to approve of and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board under conditions set forth in 5 CFR 1320 Appendix A.1. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number. Board-approved collections of information will be incorporated into the official OMB inventory of currently approved collections of information. A copy of the OMB 83-I and supporting statement and the approved collection of information instrument will be placed into OMB's public docket files. The following information collection, which is being handled under this delegated authority, has received initial Board approval and is hereby published for comment. At the end of the comment period, the proposed information collection, along with an analysis of comments and recommendations received, will be submitted to the Board for final approval under OMB delegated authority. Comments are invited on the following:

a. Whether the proposed collection of information is necessary for the proper performance of the Federal Reserve's functions; including whether the information has practical utility;

b. The accuracy of the Federal Reserve's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;

c. Ways to enhance the quality, utility, and clarity of the information to be collected; and

d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Comments must be submitted on or before November 24, 1997.

ADDRESSES: Comments, which should refer to the OMB control number or agency form number, should be addressed to William W. Wiles, Secretary, Board of Governors of the Federal Reserve System, 20th and C Streets, N.W., Washington, DC 20551, or delivered to the Board's mail room between 8:45 a.m. and 5:15 p.m., and to the security control room outside of those hours. Proposal to approve under OMB delegated authority the extension for three years, without revision, of the following report:

1. *Report title:* Recordkeeping Requirements Associated with Real Estate Appraisal Standards for Federally Related Transactions Pursuant to Regulations H and Y

Agency form number: none

OMB control number: 7100-0250

Frequency: on occasion

Reporters: state member banks and bank holding company (BHC) subsidiaries

Annual reporting hours: 61,220 (27,940 for state member banks and 33,280 for BHC subsidiaries)

Estimated average hours per response: .25

Number of respondents: 2,040 (1,016 state member banks and 1,024 BHC subsidiaries)

Small businesses are affected.

General description of report: This recordkeeping is mandatory (U.S.C. Sections 3310, 3331-3351). Since the Federal Reserve does not collect this information, confidentiality under the Freedom of Information Act (FOIA) is generally not at issue. The issue of the confidentiality of the information, however, might arise if the Federal Reserve were to obtain a copy of the appraisal during an examination or inspection. In such a case, the documents would be exempt (5 U.S.C. 552(b)(8)). The information also would be exempt if disclosure would likely cause substantial harm to the institution from which it was obtained (5 U.S.C. 552(b)(4)).

Abstract: This information collection is a recordkeeping requirement contained in the Board's Regulation H (12 C.F.R. 208.18) and Regulation Y (12 C.F.R. 225.61) that implements Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989. The purpose of the statute is to provide that federal financial and public policy interests in real estate related transactions will be protected by requiring that real estate appraisals used in connection with federally related transactions are performed in writing, in accordance with uniform standards, by individuals whose competency has been demonstrated and whose professional conduct will be subject to effective supervision.

The Federal Deposit Insurance Corporation, the Office of the Controller of the Currency, and the Office of Thrift Supervision have parallel requirements for the institutions they supervise.

Board of Governors of the Federal Reserve System, September 19, 1997.

Secretary of the Board.
