The hearing was held in Washington, DC, on August 12, 1997, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determination in this investigation to the Secretary of Commerce on September 22, 1997. The views of the Commission are contained in USITC Publication 3059 (September 1997), entitled "Open-End Spun Rayon Singles Yarn from Austria: Investigation No. 731-TA-751 (Final)."

DEPARTMENT OF LABOR

Office of the Secretary

Submission for OMB Emergency Review; Comment Request

September 23, 1997.

The Department of Labor has submitted the following (see below) information collection request (ICR), utilizing emergency review procedures, to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506). OMB approval has been requested by October 3, 1997. A copy of the ICR, with applicable supporting documentation, may be obtained by calling the Department of Labor Departmental Clearance Officer, Theresa M. O'Malley, at (202) 219-5095 ext. 143.

Comments and questions about the ICR listed below should be forwarded to the Office of Information and Regulatory Affairs, ATTN: OMB Desk Officer for the Employment and Training Administration, Office of Management and Budget, Room 10235, Washington, D.C. 20503 (202) 395-7316. The Office of Management and Budget is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Agency: Employment and Training Administration.

Title: Indian and Native American Welfare-to-Work Programs.

Frequency: Annual (Plan submission).

Affected Public: State, Local or Tribal Government.

Number of Respondents: 150.

Total of Responses: 150.

Estimated Time Per Respondent: 6 hours.

Total Burden Hours: 900.

Total Burden Cost (capital/startup): None.

Total Burden Cost (operating/maintaining): \$3,000,000.00 per year (program administrative costs).

Description: This ICR concerns the submission of applications and plans by Federally-recognized tribes and Alaska Native entities (or consortia thereof) eligible to receive funding under the Indian and Native American Welfare-to-Work (INA W2W) program. These instructions include a pre-application process for those tribes which do not operate a tribal Temporary Assistance for Needy Families (TANF) program or a Native Employment Works (NEW) program, as established by Public Law 104-193 (the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, commonly called the "Welfare Reform Act"). These non-TANF or NEW tribes must qualify as INA W2W grantees under the "substantial services" criteria established by the Department in accordance with the provisions of section 412(a)(3)(B)(ii) of the Social Security Act, as amended by section 5001(c) of Public Law 105-33 (the Balanced Budget Act of 1997). Once determined to have met the "substantial services" criteria, applicants must submit a plan containing a Standard Form (SF) 424, the basic information on service area, plans for providing client services, preliminary funding and expenditure estimates, and standard assurances and forms common to most Federal funds recipients. This

emergency clearance is necessary to enable the Department to implement the INA W2W program as close to the legislatively-mandated beginning date of October 1, 1997 (Fiscal Year 1998) as possible, as authorized by Public Law 105-33. Also, quick implementation of the INA W2W program is desirable because many TANF recipients are reaching the exhaustion of their benefits, due to the time limits for receiving those benefits imposed by Public Law 104-193 (the "Welfare Reform Act").

Theresa M. O'Malley,

Departmental Clearance Officer.
