BILLING CODE 4410-21-M

Antitrust Division

Notice Pursuant to the National Cooperative Research and Production Act of 1993—Portland Cement Association

Notice is hereby given that, on January 17, 1997, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), the Portland Cement Association ("PCA") filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing a change in membership. The notifications were filed for the purpose of extending the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances. Specifically, RMC Lonestar, Pleasanton, CA has become a member of PCA.

No other changes have been made in either the membership or planned activity of PCA.

On January 7, 1985, PCA filed its original notification pursuant to Section

6(a) of the Act. The Department of Justice published a notice in the Federal Register pursuant to Section 6(b) of the Act on February 5, 1985 (50 FR 5015). The last notification was filed with the Department on August 16, 1996. A notice was published in the Federal Register on September 12, 1996 (61 FR 48169).

Constance K. Robinson,

Director of Operations, Antitrust Division.

Agency Information Collection Activities: New Collection; Comment Request

ACTION: Notice of information collection under review; Report of mail order transactions.

The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted until April 11, 1997.

We are requesting written comments and suggestions from the public and affected agencies concerning the proposed collection of information. Your comments should address one or more of the following four points:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

2. Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

3. Enhance the quality, utility, and clarity of the information to be collected; and

4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time should be directed to Mr. James A. Pacella, 202-307-7297, Chief, Policy Unit, Liaison & Policy Section, Office of Diversion Control, Drug Enforcement Administration Washington, DC 20537. If you have additional comments,

suggestions, or need a copy of the proposed information collection instrument with instructions, or additional information, please contact Mr. James A. Pacella.

Additionally, comments may also be submitted to the Department of Justice (DOJ), Justice Management Division, Information Management and Security Staff, Attention: Department Clearance Officer, Suite 850, Washington Center, 1001 G Street, NW, Washington, DC 20530. Additional comments may be submitted to DOJ via facsimile at 202-514-1590. Overview of this information collection:

1. Type of Information Collection: New Collection.
