Take notice that on December 11, 1997, Koch Gateway Pipeline Company (Koch Gateway), Post Office Box 1478, Houston, Texas 77251-1478, filed in Docket No. CP98-127-000 a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.211) for authorization to operate in interstate commerce certain facilities previously constructed and operated to effectuate transportation service pursuant to Section 311 of the Natural Gas Policy Act (NGPA). Koch Gateway makes such request, under its blanket certificate issued in Docket No. CP82-430-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request on file with the Commission and open to public inspection.

Specifically, Koch Gateway states that it constructed the 2-inch tap and dual 2-inch meter station under Section 311 of the NGPA, on behalf of Mississippi Valley Gas Company (Mississippi Valley), a local distribution company in Rankin County, Mississippi. Koch Gateway avers that the cost of constructing the tap, approximately \$83,000 was fully reimbursed by Mississippi Valley. Koch Gateway further states that certification of this point as a jurisdictional facility will provide Mississippi Valley with

additional flexibility in obtaining gas supplies, thus enabling Mississippi Valley to receive gas shipped to this point pursuant to jurisdictional open-access transportation agreements as well as Section 311 agreements.

The estimated peak day requirement for this delivery point is 1,300 MMBtu. It is indicated that the gas volumes will be transported pursuant to Koch Gateway's No Notice Service (NNS) Transportation Rate Schedule. Koch Gateway avers that it has sufficient capacity to render the proposed service without detriment or disadvantage to its other existing customers.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
