**TRW Automotive Products Remanufacturing, A/K/A TRW Automotive Holding Company, A/K/A TRW, Incorporated, McAllen, Texas; Amended Certification Regarding Eligibility To Apply for NAFTA Transitional Adjustment Assistance**

In accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974, as amended (19 USC 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on November 8, 1996, applicable to workers of TRW Automotive Products Remanufacturing located in McAllen, Texas. The notice was published in the Federal Register on November 27, 1996 (61 FR 60310).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers were engaged in the production of remanufactured rack and pinion steering units. The company reports that some of the workers separated from employment had their wages reported under two separate unemployment insurance (UI) tax accounts, TRW Automotive Holding Company and TRW, Incorporated. Accordingly, the Department is amending the certification to reflect this matter.

The amended notice applicable to NAFTA-01248 is hereby issued as follows:

All workers of TRW Automotive Products Remanufacturing, also known as TRW Automotive Holding Company, also known as TRW, Incorporated, McAllen, Texas, who became totally or partially separated from employment on or after September 24, 1995 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, D.C. this 5th day of February 1997.

*Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.*

**RAILROAD RETIREMENT BOARD**

**Proposed Collection; Comment Request**

**SUMMARY:** In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

*Comments are invited on:* (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including

whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

*Title and purpose of information collection:* Statements of Claimed Railroad Service and Earnings, OMB 3220-0025.

To qualify for unemployment or sickness benefits payable under Section 2 of the Railroad Unemployment Insurance Act (RUIA), a railroad employee must have certain qualifying earnings in the applicable base year. In addition, to qualify for *extended* or *accelerated* benefits under Section 2 of the RUIA, a railroad employee who has exhausted his or her rights to normal benefits must have at least 10 years of railroad service (under certain conditions, military service may be credited as months of railroad service). Accelerated benefits are unemployment or sickness benefits that are payable to a railroad employee before the regular July 1 beginning date of a benefit year if an employee has 10 or more years of service and is *not* qualified for benefits in the current benefit year.

During the RUIA claims review process, the RRB may determine that unemployment or sickness benefits cannot be awarded because RRB records show insufficient qualifying service and/or compensation. When this occurs, the RRB allows the claimant the opportunity to provide additional information if they believe that the RRB service and compensation records are incorrect.

Depending on the circumstances, the RRP provides the following form(s) to obtain information needed to determine if a claimant has sufficient service or compensation to qualify for unemployment or sickness benefits.
