

DATES: Written comments on the permit application must be received on or before March 31, 1997.

ADDRESSES: Persons wishing to review the permit application may obtain a copy by writing to the Assistant Field Supervisor, Utah Ecological Services Field Office, U.S. Fish and Wildlife Service, 145 East 1300 South Street, Suite 404, Salt Lake City, Utah 84115. Documents will be available for public inspection by written request, or by appointment only, during business hours (8:00 AM to 4:30 PM) at the above address.

Written data or comments concerning the permit application should be submitted to the Assistant Field Supervisor, Utah Ecological Services Field Office, U.S. Fish and Wildlife Service, Salt Lake City, Utah (see **ADDRESSES** above). Please refer to permit number PRT-825570 in all correspondence regarding these documents.

FOR FURTHER INFORMATION CONTACT: Robert D. Williams, Assistant Field Supervisor or Marilet A. Zablan, Wildlife Biologist, at the above U.S. Fish and Wildlife Service office in Salt Lake City, Utah (see **ADDRESSES** above) (telephone: (801) 524-5001, facsimile: (801) 524-5021).

SUPPLEMENTARY INFORMATION: Section 9 of the Act prohibits the "taking" of any threatened or endangered species, such as the threatened Utah Prairie Dog. However, the Service, under limited circumstances, may issue permits to take threatened or endangered wildlife species when such taking is incidental to, and not the purpose of, otherwise lawful activities. Regulations governing permits for threatened and endangered species are at 50 CFR 17.22.

Applicant

The Applicant plans to develop a 6.3-acre church facility, located in section 35 in Township 35 South, Range 11 West, Salt Lake Base and Meridian, within Cedar City, Iron County, Utah. Development is planned to include a meeting house, seminary building, parking area, and installation of associated infrastructure such as natural gas, sewer, water, electrical power, and telephone service. The construction will impact 6.3 acres of Utah Prairie Dog habitat, and the Applicant foresees an incidental take of a maximum of 22 Utah Prairie Dogs through trapping and relocation and the potential incidental take of no more than two Utah Prairie Dogs as a result of direct mortality during construction. The Applicant proposes to compensate for this habitat loss by payment of \$900 per acre for

each acre developed, to be used for public land management actions for Utah Prairie Dog conservation and to implement recovery actions for conservation of the Utah Prairie Dog, through contribution to the Utah Prairie Dog Conservation Fund.

A no-action alternative to the proposed action was considered, consisting of foregoing the development of the 6.3-acre area of Utah Prairie Dog habitat. The no-action alternative was rejected for reasons including loss of use of the private property, resulting in significant economic loss to the Applicant.

Authority: The authority for this action is the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et. seq.*) and the National Environmental Policy Act of 1969, as amended (42 U.S.C. 4321 *et. seq.*)

Dated: February 24, 1997.

Terry Terrell,

Deputy Regional Director, Region 6, Denver, Colorado.

National Historic Oregon Trail Interpretive Center Advisory Board; Notice

AGENCY: Vale District, Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The purpose of this notice is to solicit public nominations for seven seats on the Bureau of Land Management (BLM) National Historic Oregon Trail Interpretive Center Advisory Board. The Advisory Board, created in 1997 by the Secretary of the Interior, provides advice to BLM on matters pertinent to the Bureau of Land Management's responsibilities for the management of the National Historic Oregon Trail Interpretive Center. Nominations should be received 45 days from the publication date of this notice. In making appointments to the Advisory Board, the Secretary will also consider nominations made by the Governor of Oregon. The Federal Land Policy and Management Act (FLPMA) directs the Secretary of the Interior to establish advisory councils to provide advice on land use planning and issues related to management of lands administered by BLM. In order to reflect a fair balance of viewpoints, the membership of the National Historic Oregon Trail Interpretive Center Advisory Board must represent various interests concerned with the management of the National Historic Oregon Trail Interpretive Center. These include:

1. The Wallowa Whitman Forest Supervisor or his designee.
2. A representative from Trail Tenders, Inc.
3. A representative from the Oregon Trail Preservation Trust.
4. A representative from the business community.
5. A representative of county or local elected office.
6. Two members of public-at-large.

Individuals may nominate themselves or other but nominees must be residents of Oregon. Nominees will be evaluated

based on their demonstrated ability to analyze and interpret data and information, evaluate proposals, identify problems, and promote the use of collaborative management techniques. These include long-term planning and further development of the Interpretive Center, interagency coordination, management across jurisdictional boundaries, data sharing, information exchange, and partnerships. All nominations must be accompanied by letters of reference from represented interests or organizations, a completed background information nomination form, as well as any other information that speaks to the nominee's qualifications. The nomination period will also be announced through news releases issued by the BLM Vale District, Oregon office. Nominations for the Advisory Board should be sent to National Historic Oregon Trail Interpretive Center Advisory Board, Attention: Jonne Hower, BLM, 100 Oregon St., Vale, Oregon 97918.

DATES: All nominations should be received on or before April 15, 1997.

FOR FURTHER INFORMATION AND APPLICATION FORMS CONTACT: Jonne Hower, Bureau of Land Management, Vale District, 100 Oregon Street, Vale, OR 97918, (Telephone 541 473-3144).

Completed Nominations/Background Forms should be obtained from and returned to the same addresses listed above.

Edwin J. Singleton,
District Manager.

Notice of Availability for the Montana/Dakotas Standards for Rangeland Health and Guidelines for Livestock Grazing Management Supplement to the Draft Environmental Impact Statement

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of availability.

SUMMARY: The Supplement to the Draft Environmental Impact Statement (EIS) includes additional information and documents the effects of adopting regional standards for rangeland health and guidelines for livestock grazing management on BLM-administered lands west of the Continental Divide, in Montana. The supplement discloses additional impacts not already covered in the Draft EIS from implementing the proposed alternatives on lands west of the Continental Divide. This action is

proposed in accordance with revised regulations for livestock grazing on BLM-administered lands (43 CFR 4100). The proposed standards and guidelines were developed in partnership with the Butte Resource Advisory Council (RAC), and with other public input. There will be a 60-day comment period on the Draft EIS Supplement. The comment period will begin the day the EPA Notice appears in the Federal Register.

FOR FURTHER INFORMATION CONTACT: Sandy Brooks, BLM Montana State Office, P.O. Box 36800, Billings, Montana 59107-6800, or 406-255-2929.

SUPPLEMENTARY INFORMATION: When the Montana/Dakotas Draft EIS for Standards for Rangeland Health and Guidelines for Livestock Grazing Management was issued, lands west of the Continental Divide were not included in the analysis because they are being considered as part of the Interior Columbia Basin Ecosystem Management Project (ICBEMP). However, the schedule to complete the ICBEMP has been extended, which would cause the Fallback Standards and Guidelines to automatically go into effect on August 12, 1997. By supplementing the Montana/Dakotas Draft EIS, these lands would be subject to the same consideration and analysis of alternatives as other lands in Montana/Dakotas. The record of decision signed on the Montana/Dakotas Standards and Guidelines Final EIS, will apply to lands west of the Continental Divide, in Montana. The ICBEMP decision will supersede the Montana/Dakotas Standards and Guidelines decision, for these lands, when the ICBEMP is complete. The supplement to the DEIS revises information and analysis in the Draft EIS to include BLM-administered lands west of the Continental Divide. There will be a 60-day comment period. Comments must be received by May 3, 1997. An open house will be held to exchange information with the public about the standards and guidelines supplement to the Draft EIS. The open house will be held on March 20, 1997, at the Garnet Resource Area Office, 3255 Fort Missoula Road, Missoula, Montana, from 4 p.m. to 7 p.m.

Dated: February 21, 1997.

Thomas P. Lonnie,

Deputy State Director, Division of Resources.
