The project is located in the southern Indiana counties of Crawford and Perry. The Draft Environmental Impact Statement was accepted by the FHWA on April 1, 1996 and was circulated for comments. The Supplement will better define the purpose and need of the proposed action. Additionally, another alternate will be discussed to fully cover the proposed improvement area.

No formal scoping meetings are planned for these alterations to the approved Draft Environmental Impact Statement. An additional public hearing will be scheduled to discuss the additional information being developed for the proposed action. The Supplemental Draft Environmental Impact Statement will be made available for public and agency review and comment.
