

minutes of the meeting. BLM will make the minutes available to interested parties who contact the individual listed under **FOR FURTHER INFORMATION CONTACT**.

The meeting sites are accessible to individuals with disabilities. An individual with a disability who will need an auxiliary aid or service to participate in the hearing, such as interpreting service, assistive listening device, or materials in an alternate format, must notify the person listed under **FOR FURTHER INFORMATION CONTACT** two weeks before the scheduled hearing date. Although BLM will attempt to meet a request received after that date, the requested auxiliary aid or service may not be available because of insufficient time to arrange it.

Under the Federal advisory committee management regulations (41 CFR 101-6.1015(b)), BLM is required to publish in the **Federal Register** notice of a meeting 15 days prior to the meeting date.

## II. Public Comment Procedures

Members of the public may make oral statements to the advisory board on April 24, 1998 at the appropriate point in the agenda, which is anticipated to occur at 3:30 p.m. local time. Persons wishing to make statements should register with BLM by noon on April 24, 1998, at the meeting location. Depending on the number of speakers, the advisory board may limit the length of presentations. Speakers should address specific wild horse and burro-related topics listed on the agenda. Speakers must submit a written copy of their statement to the address listed in the **ADDRESSES** section or bring a written copy to the meeting.

Participation in the advisory board meeting is not a prerequisite for submittal of written comments. BLM invites written comments from all interested parties. Your written comments should be specific and explain the reason for any recommendation. BLM appreciates any and all comments, but those most useful and likely to influence decisions on management and protection of wild horses and burros are those that are either supported by quantitative information or studies or those that include citations to and analysis of applicable laws and regulations. Except for comments provided in electronic format, commenters should submit two copies of their written comments where feasible. BLM will not necessarily consider comments received after the time indicated under the **DATES** section

or at locations other than that listed in the **ADDRESSES** section.

In the event there is a request under the Freedom of Information Act (FOIA) for a copy of your comments, we intend to make them available in their entirety, including your name and address (or your e-mail address if you file electronically). However, if you do not want us to release your name and address (or e-mail address) in response to a FOIA request, you must state this prominently at the beginning of your comment. We will honor your wish to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be released in their entirety, including names and addresses (or e-mail addresses).

### Electronic Access and Filing Address

Commenters may transmit comments electronically via the Internet to: [mknapp@wo.blm.gov](mailto:mknapp@wo.blm.gov). Please include the identifier "WH&B" in the subject of your message and your name and address in the body of your message.

Dated: March 26, 1998.

**Application Comments:** Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper

administrative procedures in reaching the decision, or any other factor not related to the suitability of the land for a landfill. Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the classification will become effective June 1, 1998.
