Parties to the proceeding may request disclosure within 5 business days of the date of publication of this notice. Any interested party may request a hearing within 10 days of publication. Pursuant to 19 CFR 353.38, any hearing, if requested, will be held 44 days after the publication of this notice, or the first workday thereafter. Interested parties may submit case briefs within 30 days of the date of publication of this notice. Rebuttal briefs, which must be limited to issues raised in the case briefs, may be filed not later than 37 days after the date of publication. The Department will publish a notice of final results of this administrative review, which will include the results of its analysis of issues raised in any such comments, not later than 120 days after the date of publication of this notice.

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. If these preliminary results are adopted in our final results, we will instruct the U.S. Customs Service not to assess antidumping duties on the merchandise subject to review. Upon completion of this review, the Department will issue appraisal instructions directly to the Customs Service.

Furthermore, the following deposit rates will be effective upon publication of the final results of this administrative review for all shipments of steel wire rope products from Mexico entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(c) of the Act: (1) the cash deposit rate for the reviewed company will be the rate established in the final results of this review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in the original investigation of sales at less than fair value (LTFV) or a previous review, the cash deposit will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this or a previous review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) for all other producers and/or exporters of this merchandise, the cash deposit rate shall be 111.68 percent, the "all others" rate

established in the LTFV investigation (58 FR 7531, February 8, 1993).

These deposit rates, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This determination is issued and published in accordance with sections 751(a)(1) of the Act (19 U.S.C. 1675(a)) and 19 CFR 353.22.

Dated: March 31, 1998.

Assistant Secretary for Import Administration.
