AGENCY: Commodity Futures Trading Commission.

ACTION: Extension of comment period on notice of application of FutureCom, LTD. for initial designation as a contract market for the automated trading over the internet of cash-settled live cattle futures and options contracts.

SUPPLEMENTARY INFORMATION:

FutureCom has applied for designation as a contract market for the automated internet-based trading of cash-settled live cattle futures and options. FutureCom has not previously been approved by the Commission as a contract market in any commodity, thus, in addition to the terms and conditions of the proposed futures and options contracts, FutureCom has also submitted proposed trading rules, rules of government, and other materials to meet the requirements for a board of trade seeking initial designation as a contract market. Notice of FutureCom's application was initially published under delegated authority for public comment on January 31, 1997 (62 FR 4730). The proposal was republished for comment under delegated authority on November 24, 1997 (62 FR 62566) for a 30-day comment period ending December 24, 1997. Acting pursuant to the authority delegated by Commission Regulation 140.96, the Division of Trading and Markets ("Division") has determined to extend for 30 days the deadline for comments on the notice of

application of FutureCom to be designated as a first-time contract market. The Division believes that extension of the deadline for comment is in the public interest, will assist the Commission in considering the views of interested persons, and is consistent with the purposes of the Commodity Exchange Act. The Division seeks comment regarding all aspects of FutureCom's application and addressing any issues commenters believe the Commission should consider.

Any person interested in submitting written data, views, or arguments on the proposal to designate FutureCom should submit their views and comments by the specified date to Jean A. Webb, Secretary, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, N.W., Washington, DC 20581. In addition, comments may be sent by facsimile transmission to facsimile number (202) 418-5521, or by electronic mail to secretary@ctfc.gov. Reference should be made to the FutureCom application for designation as an automated contract market for live cattle futures and options. Copies of the proposed terms and conditions, Exchange rules, compliance procedures, clearing and settlement description, and other related materials are available for inspection at the Office of the Secretariat at the above address. Copies also may be obtained through the Office of the Secretariat at the above address or by telephoning (202) 418-5100. Some materials may be subject to confidential treatment pursuant to 17 CFR 145.5 or 145.9. Requests or copies of such materials should be made to the FOI, Privacy and Sunshine Act Compliance Staff of the Office of the Secretariat at the Commission headquarters in accordance with 17 CFR 145.7 and 145.8.
