

segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease under the Recreation and Public Purpose Act and leasing under the mineral leasing laws.

For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested persons may submit comments regarding the proposed classification or lease of the lands to the Area Manager, Snake River Resource Area Office, 15 East 200 South, Burley, Idaho 83318.

**CLASSIFICATION COMMENTS:** Interested parties may submit comments involving the suitability of the land for a recreation area associated with the Twin Falls County Centennial Waterfront Park. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

**APPLICATION COMMENTS:** Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for a recreation area.

Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the classification will become effective 60 days from the date of publication of this notice in the **Federal Register**.

Dated: April 13, 1998.

#### REVISION— Notice of Inventory Completion for Native American Human Remains, Associated Funerary Objects, and Unassociated Funerary Objects in the Control of the United States Marine Corps, Department of the Navy, Honolulu, HI; and in the Possession of the Bernice Pauahi Bishop Museum, Honolulu, HI

**AGENCY:** National Park Service.

**ACTION:** Notice.

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act (NAGPRA), 43 CFR 10.9, of the completion of an inventory of human remains, associated funerary objects, and unassociated funerary objects in the control of the United States Marine Corps, Department of the Navy, Honolulu, HI; and in the possession of the Bernice Pauahi Bishop Museum, Honolulu, HI. **This notice replaces the Notice of Inventory Completion published February 28, 1994.**

A detailed assessment of the human remains was made by United States Marine Corps and Bishop Museum professional staff in consultation with representatives of Hui Malama I Na Kupuna O Hawai'i Nei and the Office of Hawaiian Affairs.

Between 1915 and 1932, prior to Federal control of Tract 1 on Mokapu, human remains representing five individuals from the Heleloa sand dunes on the Mokapu peninsula were donated to the Bishop Museum by unknown donor(s). No known individuals were identified. No associated funerary objects are present.

During 1938-1940, prior to Federal control of Tract 3 on Mokapu, human remains representing 799 individuals were recovered from He'eia sand dunes on Mokapu, during legally authorized excavations conducted by Gordon T. Bowles of the University of Hawaii and Kenneth P. Emory of the Bishop Museum. No known individuals were identified. The 61 associated funerary objects include kupe'e, basalt flakes,
