

Tribes of North Dakota and the Pawnee Tribe of Oklahoma.

In 1995, human remains representing one individual were placed in the vehicle of James A. Vanderloo, a volunteer firefighter by person(s) unknown during a fire call near Pierre, SD. These human remains were turned over to the SARC by Mr. Vanderloo during the same year. No known individuals were identified. No associated funerary objects are present.

Based on cranial morphology, these human remains have been determined to be Native American. Craniometric measurements indicate these human remains are consistent with Pawnee or Mandan populations. Further, based on etchings on the remains indicative of plant roots, the manner of interment is consistent with the inhumation of traditional Mandan practice. Consultation with representatives of the Three Affiliated Tribes indicates their aboriginal lands included northern South Dakota and southern North Dakota along the Missouri River.

Based on the above mentioned information, officials of the South Dakota State Archaeological Research Center have determined that, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of one individual of Native American ancestry. Officials of the South Dakota State Archaeological Research Center have also determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains and the Three Affiliated Tribes of North Dakota.

This notice has been sent to officials of the Pawnee Tribe of Oklahoma and the Three Affiliated Tribes of North Dakota. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these human remains and associated funerary objects should contact Renee Boen, Curator, South Dakota State Archaeological Research Center, P.O. Box 1257, Rapid City, SD 57709-1257; telephone: (605) 394-1936, before May 27, 1998.

Repatriation of the human remains to the Three Affiliated Tribes of North Dakota may begin after that date if no additional claimants come forward.

Dated: April 21, 1998.

BILLING CODE 4410-15-M

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Pursuant to the Clean Air Act

Notice is hereby given that a proposed Consent Decree ("Decree") in *United States v. Sunbeam Outdoor Products*, Civil Action No. 96-0474-CV-W-2, was lodged on April 6, 1998, with the United States District Court for the Western District of Missouri.

The complaint alleges that defendant Sunbeam Outdoor Products ("Sunbeam") violated Missouri Air Pollution Control Rule 10 CST 10-6.060(5) ("the Rule") by constructing and then continuing to operate a paintline at each of its two Neosho, Missouri manufacturing plants without first obtaining the permits required by the Rule. EPA approved the Rule under Section 110 of the Clean Air Act ("CAA"), 42 U.S.C. 7410, making it federally enforceable under Section 113 of the CAA, 42 U.S.C. 7413. The complaint sought injunctive relief enjoining Sunbeam from further violations of the Rule, and civil penalties of up to \$25,000 per day for each day Sunbeam violated the Rule.

Under the proposed Decree, Sunbeam shall pay the United States a civil penalty of \$829,825.00, and refrain from further violating the CAA. Sunbeam further agrees to operate one or both of two powder paintlines that Sunbeam built at its Neosho plants as a result of this enforcement action for at least one year after the effective date of the proposed Decree. These powder paintlines, which cost Sunbeam approximately \$8 million, were not necessary for Sunbeam to achieve compliance with the CAA. While the Decree remains in effect, Sunbeam shall not replace the paintlines, which substantially reduce the generation of air pollution from Sunbeam's Neosho plants, with other technology without express written permission from EPA.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, Department of Justice, Washington, D.C. 20530, and should refer to *United States v. Sunbeam Outdoor Products*, DOJ Ref. #90-5-2-1-2066.
