

EIS, which is available from the Gulf of Mexico OCS Region's Public Information Office at 1-800-200-GULF. The proposed action to be analyzed in this EA is the offering of all available unleased acreage in the CPA. The EA will also analyze alternatives to defer blocks south and within 15 miles of Baldwin County, Alabama, and to defer blocks containing topographic features with sensitive biological resources, as well as analyzing the no action alternative. The analysis in the EA will reexamine the potential environmental effects of the proposed action and alternatives based on any new information regarding potential impacts and issues that was not available at the time the final EIS was prepared.

The MMS requests interested parties to submit comments regarding any such new information or issues that should be addressed in the EA to the Minerals Management Service (MS 5410), Gulf of Mexico OCS Region, 1201 Elmwood Park Boulevard, New Orleans, Louisiana 70123-2394 by June 5, 1998. After completion of the EA, MMS will determine whether to prepare a Finding of No Significant Impact (FONSI) or a supplemental EIS. The MMS will then prepare and send to the affected States consistency determinations, which the States will review to determine whether the proposed sale is consistent with federally-approved State coastal zone management programs. The MMS will also send a proposed Notice of Sale to the Governors for their comments on the size timing, and location of the proposed sale. The tentative schedule for the steps in the prelease decision process for Sale 172 is listed below:

DEPARTMENT OF LABOR

Office of the Secretary

Privacy Act of 1974; Publication of Amendments to an Existing System of Records

AGENCY: Office of the Secretary, Labor.

ACTION: Notice of amendments to an existing system of records.

SUMMARY: The Privacy Act of 1974 requires that each agency publish notice of all of the systems of records that it maintains. This document proposes to revise the Routine Uses Category for one

of the Department's existing systems of records. The proposed routine uses provide additional protection to the privacy interests of the participants in the studies which are conducted by system managers from the Department's Bureau of Labor Statistics (BLS).

Finally, various administrative (non-substantive) changes are being made to this same system of records, including a change of name.

DATES: Persons wishing to comment on the proposed new routine uses may do so by June 8, 1998.

Effective Date: The proposed routine uses will become effective as proposed without further notice on June 16, 1998. The remaining amendments to this system are administrative (non-substantive), and therefore, will become effective on May 7, 1998.

ADDRESSES: Written comments may be mailed or delivered to Robert A. Shapiro, Associate Solicitor, Division of Legislation and Legal Counsel, 200 Constitution Avenue, NW., Room N-2428, Washington, DC 20210.

FOR FURTHER INFORMATION CONTACT: Miriam McD. Miller, Co-Counsel for Administrative Law, Office of the Solicitor, Department of Labor, 200 Constitution Avenue, NW., Room N-2428, Washington, DC 20210, telephone (202) 219-8188.

SUPPLEMENTARY INFORMATION: Pursuant to section three of the Privacy Act of 1974 (5 U.S.C. 552a(e)(4)), hereinafter referred to as the Act, the Department hereby proposes to amend the Routine Uses Category for one of the Department's existing systems of records. This document supplements this Department's last publication in full of all of its Privacy Act systems of records. On September 23, 1993, in Volume 58 at Page 49548 of the **Federal Register**, we published a notice containing 138 systems of records which were maintained under the Act. Subsequent publications of new systems were made on April 15, 1994 (59 FR 18156) (two new systems); on May 10, 1995 (60 FR 24897) (one new system); on June 15, 1995 (60 FR 31495) (one new system); on April 7, 1997 (62 FR 16610) (one new system); and on October 14, 1997 (62 FR 53343) (one new system).

1. The Department hereby proposes to amend an existing system of records, DOL/BLS-14, so that a revised Routine Uses Category can be substituted into this system of records. The revised Routine Uses Category will provide additional protection to the privacy interests of the participants in the various studies which are conducted by the system managers from the Bureau of

Labor Statistics (BLS). These studies are conducted by the Behavioral Science Research Laboratory, a unit within BLS. This additional privacy protection, for the participants in the studies, is achieved by making several of the Universal Routine Uses, contained within the General Prefatory Statement, inapplicable to this system of records. DOL/BLS-14 was last published on September 23, 1993 at 58 FR 49593.

2. This document makes various administrative (non-substantive) changes to the above discussed system, DOL/BLS-14. Since these administrative amendments are non-substantive, public comment is not required. These changes merely refine the system. Included in these changes is a revised name for the system, which will be more descriptive than its current name.

Universal Routine Uses

In its September 23, 1993 publication, the Department gave notice of eleven paragraphs containing routine uses which apply to all of its systems of records, except for DOL/OASAM-5 and DOL/OASAM-7. These eleven paragraphs were presented in the General Prefatory Statement for that document, and it appeared at Pages 49554-49555 of Volume 58 of the **Federal Register**. Those eleven paragraphs were republished in an April 15, 1994 document in order to correct grammatical mistakes in the September 23, 1993 version. In the May 10, 1995, June 15, 1995, and April 7, 1997 publications, the General Prefatory Statement was republished as a convenience to the reader of the document. In an October 14, 1997 publication, the General Prefatory Statement was again republished in order to make a syntactical change to paragraph 10. It was also republished as a convenience to the reader on January 15, 1998 (63 FR 2417). We are again republishing the General Prefatory Statement as a convenience to the reader.

The public, the Office of Management and Budget (OMB), and the Congress are invited to submit written comments on the proposed amendment in this document. A report on the proposed revision to DOL/BLS-14, has been provided to OMB and to the Congress, as required by OMB Circular A-130, Revised, and 5 U.S.C. 552a(r). The administrative (non-substantive) amendments do not have to be submitted for comment to OMB and to the Congress.
