Average Burden per Response: 1 hour.

Annual Burden Hours: 610.

Needs and Uses: Executive Order 12919 delegated to DoD authority to require certain contracts and orders relating to approved Defense Programs to be accepted and performed on a preferential basis. Respondent's Obligation: Required to obtain or retain benefits.

OMB Desk Officer: Mr. Peter N. Weiss.

SUPPLEMENTARY INFORMATION:

A. Purpose

Under the Balance of Payments Program, unless specifically exempted by statute or regulation, the Government gives preferences to the acquisition of domestic end products or services, provided that the cost of the domestic items is reasonable. The Balance of Payments Program differs from the Buy American Act in that it applies to acquisitions for use outside the United States.

The contracting officer uses the information to identify which end products or services are domestic, and which are of foreign origin. In order to be considered domestic, the cost of its components mined, produced, or manufactured in the United States must exceed 50 percent of the cost of all its components. Services are considered domestic if 25 percent or less of their total cost are attributable to performance occurring outside the United States. The contracting officer determines reasonableness of cost by applying an evaluation factor of 50 percent. If this procedure results in a tie, the domestic offer shall be considered successful.

B. Annual Reporting Burden

Public reporting burden for this collection of information is estimated to average .167 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

The annual reporting burden is estimated as follows: Respondents, 1,243; responses per respondent, 5; total annual responses, 6,215; preparation hours per response, .167; and total response burden hours, 1,038.
