SUPPLEMENTARY INFORMATION:**Background**

On April 28, 1998, the Court of International Trade issued a remand Order to the Commission in *Gerald Metals, Inc. v. United States*, Ct. No. 95-06-00782, Slip. Op. 98-56. The case involved review of the Commission's May 1995 affirmative material injury determination in *Magnesium from Ukraine*, Inv. No. 731-TA-698 (Final). The CIT ordered the Commission to reconsider its final determination in a way that is consistent with the legal standard articulated by the Court of Appeals for the Federal Circuit ("CAFC") in *Gerald Metals, Inc. v. United States*, 132 F.3d 716 (Fed. Cir. 1997) and that takes into account the fairly traded Russian imports of pure magnesium and the increase in the market share of those imports during the period of review.

Reopening Record

In order to assist it in making its determination on remand, the Commission is reopening the record on remand in this investigation to seek information regarding imports of fairly traded Russian pure magnesium, and to permit parties to file briefs.

Participation in the Proceedings

Only those persons who were interested parties to the original

administrative proceedings (i.e., persons listed on the Commission Secretary's service list) may participate in these remand proceedings.

Limited Disclosure of Business Proprietary Information (BPI) Under an Administrative Protective Order (APO) and BPI Service List

Information obtained during the remand investigation will be released to parties under the administrative protective order ("APO") in effect in the original investigation. Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make business proprietary information gathered in the final investigation and this remand investigation available to additional authorized applicants, that are not covered under the original APO, provided that the application is made not later than seven (7) days after publication of the Commission's notice of reopening the record on remand in the **Federal Register**. Applications must be filed for persons on the Judicial Protective Order in the related CIT case, but not covered under the original APO. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO in this remand investigation.

Written Submissions

Briefs should be concise, and thoroughly referenced to information on the record in the original investigation or information obtained during the remand investigation. The briefs should be limited to the following issues: (1) the legal standard articulated by the CAFC in *Gerald Metals v. United States*, 132 F.3d 716 (Fed. Cir. 1997); and (2) the extent and significance of the substitutability of the fairly traded and LTFV Russian imports. Written briefs shall be limited to twenty (20) pages, and must be filed no later than close of business on June 12, 1998. No further submissions will be permitted unless otherwise ordered by the Commission.

All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain business proprietary information (BPI) must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the investigation must be served on all other parties to the investigation (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: This action is taken under the authority of the Tariff Act of 1930, title VII. Issued: May 29, 1998.

By order of the Commission.

Secretary.
