

Dr. Nicolas Dominguez filed three Freedom of Information Act (FOIA) Appeals requesting that the Office of Hearings and Appeals of the Department of Energy (DOE) order a new search for responsive documents and release documents withheld from three FOIA requests. In considering the Appeal, the DOE determined that additional responsive documents may exist and that other documents were not "agency records." Thus, the DOE remanded the Appeal to the Oak Ridge Operations Office.

*Janice C. Curry, 13/10/98, VFA-0370*

The DOE issued a decision granting in part a Freedom of Information Act (FOIA) Appeal filed by Janice C. Curry. Curry sought the release of documents withheld under FOIA Exemptions 6, 7(C), and 7(F) by the Office of Minority Affairs of the Environmental Management Division (EM/MA). In its decision, OHA found that withholding

under Exemption 6 was proper, but EM/MA had made no attempt to disclose non-exempt segregable information. Because the DOE did not have evidence of the law enforcement authority of the ombudsman of EM/MA, withholding under Exemption 7 was denied. Accordingly, the Appeal was granted in part, denied in part, and remanded to EM/MA for a new determination.

*Masako Matsuzaki, 3/12/98, VFA-0381*

The DOE issued a decision denying a Privacy Act Appeal filed by Masako Matsuzaki. Matsuzaki sought the release of documents confirming that she was exposed to radiation while serving in the military and stationed at the Hanford Site in Richland, Washington. In its decision, the DOE found that its Richland Operations Office performed an adequate search for responsive information under the Privacy Act and the Freedom of Information Act. Accordingly, the Appeal was denied.

*Stand of Amarillo, 3/10/98, VFA-0374*

The DOE granted an appeal of a FOIA determination from the DOE's Albuquerque Operations Office (AOO). In the determination, AOO released what it stated were all materials responsive to the appellant's request. In the appeal, the appellant included information from the transcript of a hearing conducted by the Department of Labor indicating that additional responsive documents might exist. The matter was therefore remanded to AOO to search for the documents indicated in the appeal.

##### Appeal

*Charlene Pazar, 1/20/98, VFA-0364*

Charlene Pazar (Appellant) filed an Appeal of a Determination issued to her by the Rocky Flats Field Office (RFFO)

of the Department of Energy (DOE) in response to a request under the Freedom of Information Act (FOIA). In its determination, RFFO withheld the sole requested document under Exemption 5 of the FOIA. RFFO claimed that the document was protected under the attorney work-product privilege. The Office of Hearings and Appeals determined that the document was protected by the attorney-work product privilege. Although the litigation which had led to the creation of the withheld document had ended, other ongoing litigation involved the same set of facts. Therefore, release of the document could compromise DOE's strategy and tactics. Accordingly, the DOE denied the Appeal.

*Ruth Towle Murphy, 1/23/98, VFA-0360*

Ruth Towle Murphy completed the filing of a Freedom of Information Act (FOIA) Appeal requesting that the Office of Hearings and Appeals of the Department of Energy (DOE) order the release of "estimated costs, fixed fees, and the names of key personnel to implement a contract," information withheld pursuant to 5 U.S.C.

§ 552(b)(4). In considering the Appeal, the DOE determined that all of the information withheld was commercial information within the meaning of that Exemption. Thus, the DOE dismissed Ms. Murphy's Appeal.

#### Decision List No. 75; Week of March 2 Through March 6, 1998

##### Appeal

**GLEN MILNER, 3/3/98, VFA-0170**

Glen Milner filed an Appeal from a denial by the Albuquerque Operations Office of a Request for Information that he filed under the Freedom of Information Act (FOIA). Because the withheld information was identified as classified under Executive Order 12958 and the Atomic Energy Act, the DOE withheld it under Exemptions 1 and 3 of the FOIA. In considering the information that was withheld, the DOE determined on appeal that a small portion of the document must continue to be withheld under Exemption 3, but the remainder could be released. Accordingly, the Appeal was granted in part and a newly redaction version of the requested information was ordered to be released.

##### Personnel Security Hearing

**PERSONNEL SECURITY HEARING, 3/5/98 VSO-0183**

A Hearing Officer Opinion recommended against the grant of access authorization. The Opinion

found that the individual had not resolved the security concern arising from a pattern of dishonest conduct.

##### Refund Applications

**ENRON CORP./FERRELLGAS, INC., 3/3/98, RF340-60**

The DOE granted an Application for Refund submitted by Ferrellgas, Inc. (Ferrellgas) in the Enron Corporation (Enron) special refund proceeding. The DOE found that Ferrellgas was a reseller and retailer that purchased large quantities of propane and butane from Enron. The DOE also found that Ferrellgas' propane and butane purchases from Enron were not discretionary in nature, and were necessary for Ferrellgas to meet the supply requirements of its regular customers. The DOE found that Ferrellgas had demonstrated that the prices it paid to Enron for butane resulted in an economic injury to Ferrellgas, and granted Ferrellgas a full volumetric refund for its butane purchases. However, with respect to propane, the DOE found that Ferrellgas had not established a level of injury sufficient to qualify for a full volumetric refund. The DOE therefore limited this refund to the volume of propane that Ferrellgas purchased from Enron at above market prices. Accordingly, the DOE granted Ferrellgas a refund, including interest, of \$347,549.
