Decision List No. 73: Week of February 16 Through February 20, 1998

Appeals

Diane C. Larson, 2/17/98, VFA-0367

Diane C. Larson perfected an Appeal under the Privacy Act. The Appellant requested that OHA review a determination issued by the Office of Energy Intelligence to ascertain whether an adequate search had been conducted for documents responsive to the Appellant's Privacy Act request. The Appellant also asked that OHA order the Office of the Inspector General (OIG) to expedite the issuance of a determination. OHA denied this Appeal because it found that the search conducted by the staff of the Office of Energy Intelligence was adequate, and that OHA lacked jurisdiction to review the processing of Appellant's Privacy Act request by the OIG.

FOIA Group, Inc., 2/18/98, VFA-0369

FOIA Group, Inc. filed a Freedom of Information Act (FOIA) Appeal requesting that the Office of Hearings and Appeals of the Department of Energy (DOE) order the release of information withheld pursuant to 5 U.S.C. § 552(b)(4). Specifically, a DOE facility released a copy of a contract, but deleted certain information. In considering the Appeal, the DOE determined that most of the withheld information, specifically, annual prices, pricing and delivery terms, annual demand amounts of power Bonneville Power Administration would supply, and total revenue amounts, was commercial information within the meaning of Exemption 4. Thus, the DOE facility properly withheld this information. However, the DOE found that the DOE facility should release some withheld information, specifically, topic headings. Accordingly, the DOE remanded FOIA Group, Inc.'s Appeal to the Bonneville Power Administration. Ruth Towle Murphy, 2/20/98, VFA-0371

Ruth Towle Murphy (Murphy) filed an Appeal from a determination issued to her by the Manager of the Oak Ridge Operations Office (Manager) of the
