Several of the Existing Funds are organized as series companies. Applicants request that the relief apply to any registered open-end management investment company or series thereof which in the future is part of the same "group of investment companies," as defined in section 12(d)(1)(G)(ii) of the Act, as the Existing Funds, and for which OFDI, CAMC, or any entity controlled by OFDI or CAMC, acts as principal underwriter, or for which OFI, ORAM, CAMC, or any entity controlled by OFI, ORAM, or CAMC, acts as investment adviser (together with any future series of Existing Funds, the "New Funds").² The New Funds and the Existing Funds are collectively referred to as the "Funds" and individually as a "Fund."

2. The Funds will be designated as either Mixed Funds or Core Funds. Each Mixed Fund will invest in a combination of Core Funds and, pursuant to the relief requested in the application, in other securities that are consistent with the Fund's stated investment objectives and policies ("Additional Portfolio Investments"). Applicants want to have the flexibility to invest in Additional Portfolio Investments so that the Mixed Funds can take advantage of available investment opportunities as well as make investments in the Core Funds. OFI or one of its subsidiaries, CAMC, or ORAM, each an investment adviser registered under the Investment Advisers Act of 1940, will serve as investment adviser to the Funds.

Applicants' Legal Analysis

¹ "Successor in interest" is limited to entities that result from a reorganization into another jurisdiction or a change in the type of business organization.

² All existing investment companies that currently intend to rely on the requested order named as applicants, and any New Fund that subsequently relies on the order will comply with the terms and conditions of the application.
