

The land is not required for any federal purpose. The lease/conveyance is consistent with current Bureau planning for this area and would be in the public interest. The lease/patents, when issued, will be subject to the provisions of the Recreation and Public Purposes Act and applicable regulations of the Secretary of the Interior, and will contain the following reservations to the United States:

1. A right-of-way thereon for ditches or canals constructed by the authority of the United States, Act of August 30, 1890 (43 U.S.C. 945).

2. All minerals shall be reserved to the United States, together with the right to prospect for, mine and remove such deposits from the same under applicable law and such regulations as the Secretary of the Interior may prescribe and will be subject to:

1. Easements in accordance with the Clark County Transportation Plan.

2. Those rights for distribution line purposes which have been granted to Nevada Power Company by Permit No. N-3281 under the Act of February 15, 1901 (43 USC 959).

Detailed information concerning this action is available for review at the office of the Bureau of Land Management, Las Vegas Field Office, 4765 W. Vegas Drive, Las Vegas, Nevada.

Upon publication of this notice in the **Federal Register**, the above described land will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease/conveyance under the Recreation and Public Purposes Act, leasing under the mineral leasing laws and disposals under the mineral material disposal laws. For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested parties may submit comments regarding the proposed lease/conveyance for classification of the lands to the Las Vegas Field Office Manager, Las Vegas Field Office, 4765 Vegas Drive, Las Vegas, Nevada 89108.

Classification Comments: Interested parties may submit comments involving the suitability of the land for park sites. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Application Comments: Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper

administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for a park site.

Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the classification of the land described in this Notice will become effective 60 days from the date of publication in the **Federal Register**. The lands will not be offered for lease/conveyance until after the classification becomes effective.

Dated: July 1, 1998.

Notice of Proposed Withdrawal and Intent To Prepare a Planning Amendment to the Lahontan Resource Management Plan; Nevada

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Land Management proposes to withdraw 15,757.14 acres of reserved Federal minerals from mining and 166,906.28 acres of public lands from surface entry and mining, but not from sales, exchanges, recreation and public purposes, or mineral leasing to protect scenic and recreation values. This notice closes the lands from settlement, sale, location, and entry under the general land laws, including the mining laws, but not from sales, exchanges, recreation and public purposes, or mineral leasing. In addition, any non-Federal lands acquired through exchange, donation, or purchase within the boundaries of the described plan

area would be closed to surface entry and mining during the 2-year period and would become part of the proposed withdrawal.

The Carson City District of the Bureau of Land Management proposes to amend the Lahontan Resource Management Plan to address future management of these same lands. The resource management plan amendment process will serve as the basis for decisions on resource protection and development and the need for a withdrawal. The Bureau of Land Management and Washoe County are cooperating in the preparation of this resource management plan amendment.

DATES: Comments should be received on or before October 6, 1998.

ADDRESSES: Comments should be sent to the Nevada State Director, BLM, P.O. Box 12000, Reno, Nevada 89520 or the Carson City Field Office Manager, 5665 Morgan Mill Road, Carson City, Nevada 89701.

FOR FURTHER INFORMATION CONTACT: Dennis J. Samuelson, BLM Nevada State Office, 702-861-6532 or Jo Ann Hufnagle, BLM Carson City Office, 702-885-6000.

SUPPLEMENTARY INFORMATION: On June 19, 1998, a petition was approved allowing the Bureau of Land Management to file an application to withdraw the following described reserved Federal minerals from location and entry under the mining laws and the following described public lands from settlement, sale, location, or entry under the general land laws, including the mining laws, but not from conveyances under Sections 203 and 206 of the Federal Land Policy and Management Act of 1976, as amended, the Recreation and Public Purposes Act, as amended, and the mineral leasing laws:
