Viking Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff

July 6, 1998.

Take notice that on June 30, 1998, Viking Gas Transmission Company (Viking) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1 the tariff sheets listed on Attachment A (Primary Case) to the filing and Attachment B (Pro Forma Case) to the filing.

Viking requests an effective date of August 1, 1998 for the tariff sheets listed on Attachment A and, accordingly, requests that the Commission suspend this filing for the minimal statutory period to allow the tariff sheets listed on Attachment A to go into effect on August 1, 1998.

Viking respectfully requests that the Commission allow Viking's Pro Forma Case to become effective only after a final Commission order on this proceeding. Should the Commission accept Viking's Pro Forma Case, Viking will submit actual tariff sheets in place of the Pro Forma tariff sheets to be effective on a prospective basis.

Viking states that the purpose of this filing is to revise Viking's rates for jurisdictional services to reflect current and projected costs and changes in demand on Viking's system. Viking is also filing to remove crediting of penalty and IT revenues and to implement a tracker to recover load management costs.

In its Pro Forma Case, Viking is proposing to roll-in the facilities installed during the 1996 and 1997 expansion projects approved by the Commission in Docket Nos. CP96-32-000 and CP97-93-000, respectively. Both projects are appropriate for rolled-in rate treatment due to the significant reliability and operational benefits they provide to pre-expansion customers, and in light of the minimal rate impacts they produce in real terms.

Viking states that copies of the filing have been mailed to all of its jurisdictional customers and to affected state regulatory commissions.

Any person desiring to be heard or to protest this filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations.

All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
