Overthrust states that the filing is being made in response to the Commission's June 22, 1998 letter in Docket No. RP97-301-002.

Overthrust states that this tariff filing (1) incorporates into certain tariff sheets filed by Overthrust in Docket Nos. RP97-131-005, GT98-23-000 and RP98-184-000 tariff revisions that were approved by the Commission's June 22 letter order, and (2) corrects the pagination of tariff sheets tendered with this filing that became effective between November 1, 1997, and May 8, 1998.

Overthrust states further that a copy of this filing has been served upon its customers, the Public Service Commission of Utah and the Public Service Commission of Wyoming.

Any person desiring to protest this filing should be a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. CP98-653-000]

Tuscarora Gas Transmission Company; Notice of Request Under Blanket Authorization

July 14, 1998.

Take notice that on July 2, 1998, Tuscarora Gas Transmission Company (Applicant), 1575 Delucchi Lane, Suite 225, Post Office Box 30057, Reno, Nevada 89520-3057, filed in Docket No. CP98-653-000 a request pursuant to Section 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.211) for approval to construct and operate a tap, meter station and appurtenant facilities for the transportation of natural gas to the HL Power Company (HL Power) in Lassen County, California Under Applicant's blanket certificate issued in Docket No. CP93-685-000 *et al.*, pursuant to Section 7(c) of the Natural Gas Act (NGA), all as more fully set forth in the request which is on file with the Commission and open to public inspection.

Applicant proposes to transport volumes, initially up to 2,400 Dekatherms per Day on interruptible basis, pursuant to the rates, terms, and conditions of Applicant's open access tariff. Applicant asserts that the construction of these facilities will enable HL Power to supplement its current fuel supply with natural gas. Applicant further asserts that none of its customers will be adversely affected by the certification of approximately \$35,000. Applicant states that it will pay for the construction and acquisition of the facilities proposed herein. It is also asserted that the proposed facilities will have no effect on Applicant's ability to deliver natural gas to its existing customers at pressures in conformity with existing contracts and tariffs.

Any person or the Commission's Staff may, within 45 days of the issuance of

the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.214), a motion to intervene and pursuant to Section 157.205 of the regulations under the Natural Gas Act (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed therefor, the proposed activities shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
