1/ Funds were never withheld from obligation.

2/ GAO's report to the Congress, dated May 11, 1998, indicated that agency officials stated that funds were being withheld from obligation, but not on an apportionment schedule. Subsequent discussions between OMB and agency officials confirm that there has been no withholding of funds. Rather, the lower demand in recent years for these loan guarantees has resulted in large available balances. For this reason, no withholding was required, either by OMB or by the agency.
