Columbia Gulf Transmission Company; Notice of Proposed Changes in FERC Gas Tariff

July 27, 1998.

Take notice that on July 22, 1998, Columbia Gulf Transmission Company (Columbia Gulf), tendered for filing to its FERC Gas Tariff, Second Revised Volume No. 1, the following revised sheet, bearing a proposed effective date of August 1, 1998:

Third Revised Sheet No. 286

Columbia Gulf states that on June 24, 1998, it filed with the Commission revised tariff sheets to implement the Commission's April 16, 1998 final rule in Docket No. RM96-1-007; Order No. 587-G Standards for Business Practices of Interstate Natural Gas Pipelines. It has come to Columbia Gulf's attention that references to certain standards were not incorporated as required. Therefore, the instant filing revises Sheet No. 286 to incorporate by reference the omitted standards and to remove standard 4.3.4 which is no longer applicable.

Columbia Gulf states that copies of its filing have been mailed to affected customers and state commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission,

888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Medical Area Total Energy Plant, Inc.; Notice of Application for Commission Determination of Exempt Wholesale Generator Status

July 27, 1998.

Take notice that on July 2, 1998, Medical Area Total Energy Plant, Inc. (MATEP), filed with the Federal Energy Regulatory Commission (Commission) an application for determination of exempt wholesale generator status pursuant to Part 365 of the Commission's Regulations.

MATEP states that it is a Massachusetts corporation organized exclusively for the purpose of owning and operating an electric generating facility in the Longwood Section of Boston, Massachusetts. MATEP further states that the name and address of one of its attorneys is:

Patricia M. French, LeBoeuf, Lamb, Greene & MacRae L.L.P., 260 Franklin Street, Boston, Massachusetts 02110-3143

MATEP further states that MATEP's facility is combined 62 MW net capacity diesel generation. MATEP states that no rate or charge in connection with this facility was in effect under the laws of any state as of October 24, 1992 or any time thereafter. MATEP further states that copies of the application were served upon the Securities and Exchange Commission and the Massachusetts Department of Telecommunications and Energy.

Any person desiring to be heard concerning the application for exempt wholesale generator status should file a motion to intervene or comments with the Federal Energy Regulatory

Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). The Commission will limit its consideration of comments to those that concern the adequacy or accuracy of the application. All such motions and comments should be filed on or before August 14, 1998, and must be served on the applicant. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

Niagara Mohawk Power Corporation; Notice of Filing

July 27, 1998.

Take notice that on July 20, 1998, Niagara Mohawk Power Corporation (NMPC), tendered for filing with the Federal Energy Regulatory Commission an executed Transmission Service Agreement between NMPC and Public Service Electric and Gas Company. This Transmission Service Agreement specifies that Public Service Electric and Gas Company has signed on to and has agreed to the terms and conditions of NMPC's Open Access Transmission Tariff as filed in Docket No. OA96-194-000. This Tariff, filed with FERC on July 9, 1996, will allow NMPC and Public Service Electric and Gas Company to enter into separately scheduled transactions under which NMPC will provide transmission service for Public Service Electric and Gas Company as the parties may mutually agree.

NMPC requests an effective date of July 15, 1998. NMPC has requested waiver of the notice requirements for good cause shown.

NMPC has served copies of the filing upon the New York State Public Service Commission and Public Service Electric and Gas Company.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211

and 18 CFR 385.214). All such motions and protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

[Docket No. CP98-675-000]

Northern Natural Gas Company; Notice of Request Under Blanket Authorization

July 27, 1998.

Take notice that on July 17, 1998, Northern Natural Gas Company (Northern), 1111 South 103rd Street, Omaha, Nebraska 68103-0330, filed a request with the Commission in Docket No. CP98-675-000, pursuant to Sections 157.205, and 157.216(b) of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to abandon eight (8) small volume measuring stations, authorized in blanket certificate issued in Docket No. CP82-401-000, all as more fully set forth in the request on file with the Commission and open to public inspection.

Northern proposes to abandon eight small volume measuring stations, located in the states of Iowa and Minnesota. In addition, Northern reports that the end-users involved have requested that the eight measuring stations be removed from their property. Northern states that the sites from which the stations would be removed would be restored in accordance with the desires of the landowners.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 24 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after

the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the NGA.

Cobisa-Person Limited Partnership, et al.; Electric Rate and Corporate Regulation Filings

July 24, 1998.

Take notice that the following filings have been made with the Commission:

1. Cobisa-Person Limited Partnership

[Docket No. EC98-46-000]

On July 20, Cobisa-Person Limited Partnership (Cobisa-Person), 820 Gessner, Suite 930, Houston, Texas 77024 submitted for filing an application for approval under Section 203 of the Federal Power Act of the acquisition of a partnership interest in Cobisa-Person by MCNIC Person GP, Inc. and MCNIC Power Company (MCNIC Partners). No determination has been made that the submittal constitutes a complete filing.

According to the applicant, Cobisa-Person is developing an approximately 140 MW natural gas and oil-fired generation facility in Bernalillo County, New Mexico. The purchase of a partnership interest in Cobisa-Person by MCNIC Partners will enable Cobisa-Person to obtain additional financing necessary to complete the project.
