General Wage Determination Publication

General wage determinations issued under the Davis-Bacon and related Acts, including those noted above, may be found in the Government Printing Office (GPO) document entitled "General Wage Determinations Issued Under The Davis-Bacon and Related Acts." This

publication is available at each of the 50 Regional Government Depository Libraries and many of the 1,400 Government Depository Libraries across the country.

The general wage determinations issued under the Davis-Bacon and related Acts are available electronically by subscription to the FedWorld Bulletin Board System of the National Technical Information Service (NTIS) of the U.S. Department of Commerce at 1-800-363-2068.

Hard-copy subscriptions may be purchased from: Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402, (202) 512-1800.

When ordering hard-copy subscription(s), be sure to specify the State(s) of interest, since subscriptions may be ordered for any or all of the seven separate volumes, arranged by State. Subscriptions include an annual edition (issued in January or February) which includes all current general wage determinations for the States covered by each volume. Throughout the remainder of the year, regular weekly updates are distributed to subscribers.

Signed at Washington, DC this 17th day of September 1998.

Carl J. Polesky,

Chief, Branch of Construction Wage Determinations.

DEPARTMENT OF LABOR

Mine Safety and Health Administration

Proposed Information Collection Request Submitted for Public Comment and Recommendations; Permissible Equipment Testing

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program help to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed.

Currently, the Mine Safety and Health Administration (MSHA) is soliciting comments concerning the proposed extension of the information collection related to Permissible Equipment Testing. MSHA is particularly interested in comments which:

- evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- enhance the quality, utility, and clarity of the information to be collected; and
- minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

A copy of the proposed information collection request can be obtained by contacting the employee listed below in the **FOR FURTHER INFORMATION CONTACT** section of this notice.

DATES: Submit comments on or before November 24, 1998.

ADDRESSES: Send comments to Patricia W. Silvey, Director, Office of Standards, Regulations, and Variances, 4015 Wilson Boulevard, Room 627, Arlington, VA 22203-1984. Commenters are encouraged to send their comments on a computer disk, or via E-mail to psilvey@msha.gov, along with an original printed copy. Ms. Silvey can be reached at (703) 235-1910 (voice) or (703) 235-5551 (facsimile).

SUPPLEMENTARY INFORMATION:

I. Background

The Mine Safety and Health Administration (MSHA) is responsible for the inspection, testing, approval and certification, and quality control of mining equipment and components, materials, instruments, and explosives

used in both underground and surface coal, metal, and nonmetal mines. Title 30 CFR, Parts 15 through 36 contain procedures by which manufacturers may apply for and have equipment approved as "permissible" for use in mines.

II. Current Actions

Title 30 CFR Parts 15 through 36 require that an investigation leading to

approval or certification will be undertaken by the Approval and Certification Center (A&CC) only pursuant to a written application accompanied by prescribed drawings and specifications identifying the piece of equipment. This information is used by engineers and scientists to evaluate the design in conjunction with tests to

assure conformance to standards prior to approval for use in mines.

Type of Review: Extension.

Agency: Mine Safety and Health Administration.

Title: Permissible Equipment Testing.

OMB Number: 1219-0066.

Agency Number: MSHA 702.

Affected Public: Business or other for-profit.
