This notice lists information collection package(s) that have been submitted to the Office of Management and Budget (OMB) in compliance with Pub. L. 104-13 effective October 1, 1995, The Paperwork Reduction Act of 1995. The following information collection is under OMB review:

Manchaca Ruling Compliance Survey—0960-NEW. In accordance with the terms of *Manchaca et. al. v. Chater*, the Social Security Administration (SSA) must inform title II and title XVI applicants/recipients in the State of Texas, locus of the class action litigation, about benefits under the food stamp program and make available food stamp applications to these individuals. SSA is also required to complete food stamp applications for title XVI applicants/recipients when all members of the individual's household are receiving title XVI benefits. Another term of the settlement agreement requires SSA to conduct a study in the State of Texas, to determine SSA's effectiveness in promoting the goals of joint processing of food stamp applications and SSA's compliance with these goals. As part of the study, SSA will survey a random sample of title II and title XVI applicants/recipients. The survey will determine the level of the respondent's awareness of food stamp processing in SSA field offices in Texas, and the degree to which field offices have complied with the food stamp application procedures. The information will be included in a report which will be provided to the court and the plaintiff.
