

(7) *Affiliation through common management.* Affiliation generally arises where officers, directors, or key employees serve as the majority or otherwise as the controlling element of the board of directors and/or the management of another entity.

(8) *Affiliation through common facilities.* Affiliation generally arises where one concern shares office space and/or employees and/or other facilities with another concern, particularly where such concerns are in the same or related industry or field of operations, or where such concerns were formerly affiliated, and through these sharing arrangements one concern has control, or potential control, of the other concern.

(9) *Affiliation through contractual relationships.* Affiliation generally arises where one concern is dependent upon another concern for contracts and business to such a degree that one concern has control, or potential control, of the other concern.

(10) *Affiliation under joint venture arrangements.* (i) A joint venture for size determination purposes is an association of concerns and/or individuals, with interests in any degree or proportion, formed by contract, express or implied, to engage in and carry out a single, specific business venture for joint profit for which purpose they combine their efforts, property, money, skill and knowledge, but not on a continuing or permanent basis for conducting business generally. The determination whether an entity is a joint venture is based upon the facts of the business operation, regardless of how the business operation may be designated by the parties involved. An agreement to share profits/losses proportionate to each party's contribution to the business operation is a significant factor in determining whether the business option is a joint venture.

(ii) The parties to a joint venture are considered to be affiliated with each other.

(11) *Exclusion from affiliation coverage.* For purposes of this section, Indian tribes or Alaska Regional or Village Corporations organized pursuant to the Alaska Native Claims Settlement Act (43 U.S.C. 1601 *et seq.*), or entities owned and controlled by such tribes or corporations, are not considered affiliates of an applicant (or licensee) that is owned and controlled by such tribes, corporations or entities, and that otherwise complies with the requirements of this section, except that gross revenues derived from gaming activities conducted by affiliated entities pursuant to the Indian Gaming

Regulatory Act (25 U.S.C. 2701 *et seq.*) will be counted in determining such applicant's (or licensee's) compliance with the financial requirements of this section, unless such applicant establishes that it will not receive a substantial unfair competitive advantage because significant legal constraints restrict the applicant's ability to access such gross revenues.

DEPARTMENT OF DEFENSE

48 CFR Part 246

[DFARS Case 97-D326]

Defense Federal Acquisition Regulation Supplement; Warranties in Weapon System Acquisitions

AGENCY: Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: The Director of Defense Procurement has issued a final rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to implement Section 847 of the National Defense Authorization Act for Fiscal Year 1998. Section 847 repealed the requirement for contractor guarantees on major weapon systems.

EFFECTIVE DATE: February 6, 1998.

FOR FURTHER INFORMATION CONTACT: Rick Layser, PDUSD(A&T)DP(DAR), IMD 3D139, 3062 Defense Pentagon, Washington, DC 20301-3062. Telephone (703) 602-0131. Telefax (703) 602-0350. Please cite DFARS Case 97-D326.

SUPPLEMENTARY INFORMATION:

A. Background

Section 847 of the National Defense Authorization Act for Fiscal Year 1998 (Pub. L. 105-85) repealed 10 U.S.C. 2403, which required contractor guarantees on major weapon systems. This final rule removes the DFARS language that implemented 10 U.S.C. 2403.

B. Regulatory Flexibility Act

The final rule does not constitute a significant revision within the meaning of FAR 1.501 and Public Law 98-577 and publication for public comment is not required. However, comments from small entities concerning the affected DFARS subpart will be considered in accordance with 5 U.S.C. 610. Such comments should cite DFARS Case 97-D326 in correspondence.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the final rule imposes no information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

List of Subjects in 48 CFR Part 246

Government procurement.

Michele P. Peterson,

Executive Editor, Defense Acquisition Regulations Council.

Therefore, 48 CFR Part 246 is amended as follows:

1. The authority citation for 48 CFR Part 246 continues to read as follows:

Authority: 41 U.S.C. 421 and 48 CFR Chapter 1.

PART 246—QUALITY ASSURANCE

2. Section 246.703 is revised to read as follows:

246.703 Criteria for use of warranties.

(b) *Cost.* Contracting officers may include the cost of a warranty as part of an item's price or as a separate contract line item.

246.704 [Amended]

3. Section 246.704 is amended by removing paragraph (1) and redesignating paragraphs (2) through (5) as paragraphs (1) through (4), respectively.

246.770 through 246.770-8 [Removed].

4. Sections 246.770 through 246.770-8 are removed.

National Oceanic and Atmospheric Administration

50 CFR Part 622

[Docket No. 961204340-7087-02; I.D. 020298B]

Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic; Closure

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Closure.

SUMMARY: NMFS closes the commercial run-around gillnet fishery for king mackerel in the exclusive economic

zone (EEZ) in the Florida west coast subzone. This closure is necessary to protect the overfished Gulf king mackerel resource.

DATES: The closure is effective 12:00 noon, local time, February 3, 1998, through June 30, 1998.

FOR FURTHER INFORMATION CONTACT: Mark F. Godcharles, 813-570-5305.

SUPPLEMENTARY INFORMATION: The fishery for coastal migratory pelagic fish (king mackerel, Spanish mackerel, cero, cobia, little tunny, dolphin, and, in the Gulf of Mexico only, bluefish) is managed under the Fishery Management Plan for the Coastal Migratory Pelagic Resources of the Gulf of Mexico and South Atlantic (FMP). The FMP was prepared by the Gulf of Mexico and South Atlantic Fishery Management Councils (Councils) and is implemented under the authority of the Magnuson-Stevens Fishery Conservation and Management Act by regulations at 50 CFR part 622.

Based on the Councils' recommended total allowable catch and the allocation ratios in the FMP, NMFS implemented a commercial quota for the Gulf of Mexico migratory group of king mackerel in the Florida west coast subzone of 865,000 lb (392,357 kg).

That quota was further divided into two equal quotas of 432,500 lb (196,179 kg) for vessels in each of two groups by gear types—vessels fishing with run-around gillnets and those using hook-and-line gear (50 CFR 622.42(c)(1)(i)(A)(2)).

In accordance with 50 CFR 622.43(a)(3), NMFS is required to close any segment of the king mackerel commercial fishery when its allocation or quota is reached or is projected to be reached by publishing a notification in the **Federal Register**. NMFS has determined that the commercial quota of 432,500 lb (196,179 kg) for Gulf group king mackerel for vessels using run-around gillnets in the Florida west coast subzone was reached on February 3, 1998. Accordingly, the commercial fishery for king mackerel for such vessels in the Florida west coast subzone is closed effective 12:00 noon, local time, February 3, 1998, through June 30, 1998, the end of the fishing year.

The Florida west coast subzone extends from 87°31'06" W. long. (due south of the Alabama/Florida boundary) to: (1) 25°20.4' N. lat. (due east of the Dade/Monroe County, FL, boundary) through March 31, 1998; and (2) 25°48' N. lat. (due west of the Monroe/Collier County, FL, boundary) from April 1, 1998, through October 31, 1998.

NMFS previously determined that the commercial quota for king mackerel from the western zone of the Gulf of Mexico was reached and closed that segment of the fishery on August 2, 1997 (62 FR 42417, August 7, 1997). Subsequently, NMFS determined that the commercial quota of king mackerel for vessels using hook-and-line gear in the Florida west coast subzone of the eastern zone of the Gulf of Mexico was reached and closed that segment of the fishery on January 7, 1998 (63 FR 1772, January 12, 1998). Thus, with this closure, all commercial fisheries for king mackerel in the EEZ are closed from the U.S./Mexico border through the Florida west coast subzone through June 30, 1998.

Except for a person aboard a charter vessel or headboat, during the closure, no person aboard a vessel permitted to fish under a commercial quota may fish for Gulf group king mackerel in the EEZ in the closed zones or retain Gulf group king mackerel in or from the EEZ of the closed zones. A person aboard a vessel for which the permit indicates both commercial king mackerel and charter/headboat for coastal migratory pelagic fish may continue to retain king mackerel under the bag and possession limit set forth in 50 CFR 622.39(c)(1)(ii), provided the vessel is operating as a charter vessel or headboat.

During the closure, king mackerel from the closed zones taken in the EEZ, including those harvested under the bag limit, may not be purchased or sold. This prohibition does not apply to trade in king mackerel from the closed zones that were harvested, landed ashore, and sold prior to the closure and were held in cold storage by a dealer or processor.

Classification

This action is taken under 50 CFR 622.43(a)(3) and is exempt from review under E.O. 12866.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: February 2, 1998.

Gary C. Matlock,

Director, Office of Sustainable Fisheries,
National Marine Fisheries Service.

BILLING CODE 3510-22-F

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

50 CFR Part 679

[Docket No.971208296-7296-01 ; I.D. 013098B]

Fisheries of the Exclusive Economic Zone Off Alaska; Atka Mackerel in the Eastern Aleutian District and Bering Sea subarea of the Bering Sea and Aleutian Islands

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Closure.

SUMMARY: NMFS is prohibiting directed fishing for Atka mackerel in the Eastern Aleutian District and the Bering Sea subarea of the Bering Sea and Aleutian Islands management area (BSAI). This action is necessary to prevent exceeding the 1998 interim specifications of Atka mackerel in these areas.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), February 2, 1998, until 2400 hrs, A.l.t., December 31, 1998.

FOR FURTHER INFORMATION CONTACT: Andrew Smoker, 907-586-7228.

SUPPLEMENTARY INFORMATION: The groundfish fishery in the BSAI exclusive economic zone is managed by NMFS according to the Fishery Management Plan for the Groundfish Fishery of the Bering Sea and Aleutian Islands Area (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Fishing by U.S. vessels is governed by regulations implementing the FMP at subpart H of 50 CFR part 600 and CFR part 679.

The 1998 interim specifications of Atka mackerel total allowable catch for the Eastern Aleutian District and the Bering Sea subarea was established by Interim 1998 Harvest Specifications (62 FR 65626, December 15, 1997) for the BSAI as 3,187 metric tons (mt). See § 679.20(c)(2)(ii).

In accordance with § 679.20(d)(1)(i), the Administrator, Alaska Region, NMFS (Regional Administrator), has determined that the 1998 interim specification for Atka mackerel in the Eastern Aleutian District and the Bering Sea subarea soon will be reached. Therefore, the Regional Administrator is establishing a directed fishing allowance of 2,587 mt, and is setting aside the remaining 600 mt as bycatch to support other anticipated groundfish fisheries. In accordance with
