SUPPLEMENTARY INFORMATION: Pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Pub. L. 104-193, the Assassination Records Review Board will disclose data from its Personnel Records and its Time and Attendance Records to the Office of Child Support Enforcement, Administration for Children and Families, Department of Health and Human Services for use in the National Database of New Hires, part of the Federal Parent Locator Service (FPLS) and Federal Tax Offset System, DHHS/OCSE No. 09-90-0074. A description of the Federal Parent Locator Service may be found at 62 FR 51,663 (1997).

FPLS is a computerized network through which States may request location information from Federal and State agencies to find non-custodial parents and their employers for purposes of establishing paternity and security support. On October 1, 1997, the FPLS was expanded to include the National Directory of New Hires, a database containing employment information on employees recently hired, quarterly wage data on private and public sector employees, and information on unemployment compensation benefits. On October 1, 1998, the FPLS will be expanded further to include a Federal Case Registry. The Federal Case Registry will contain abstracts on all participants involved in child support enforcement cases. When the Federal Case Registry is instituted, its files will be matched on an ongoing basis against the files in the National Directory of New Hires to determine if an employee is a participant in a child support case anywhere in the country. If the FPLS identifies a person as being a participant in a State child support case, that State will be notified. State requests to the FPLS for location information will also continue to be processed after October 1, 1998.

When individuals are hired by the Assassination Records Review Board, we may disclose to the FPLS their names, social security numbers, home addresses, dates of birth, dates of hire,

and information identifying us as the employer. We also may disclose to FPLS names, social security numbers, and quarterly earnings of each Assassination Records Review Board employee, within one month of the quarterly reporting period.

Information submitted by the Assassination Records Review Board to the FPLS will be disclosed by the Office of Child Support Enforcement to the Social Security Administration for verification to ensure that the social security number provided is correct. The data disclosed by the Assassination Records Review Board to the FPLS will also be disclosed by the Office of Child Support Enforcement to the Secretary of the Treasury for use in verifying claims for the advance payment of the earned income tax credit or to verify a claim of employment on a tax return.

Accordingly, the Assassination Records Review Board's Notice of Systems of Records (ARRB-9 and ARRB-14) originally published at 60 FR 64,143 (1995) is amended by addition of the following routine use:

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEMS, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

The names, social security numbers, home addresses, dates of birth, dates of hire, quarterly earnings, employer identifying information, and State of hire of employees may be disclosed to the Office of Child Support Enforcement, Administration for Children and Families, Department of Health and Human Services for the purpose of locating individuals to establish paternity, establishing and modifying orders of child support, identifying sources of income, and for other child support enforcement actions as required by the Personal Responsibility and Work Opportunity Reconciliation Act, Pub. L. 104-193.

Dated: December 30, 1997.

COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List; Additions

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Additions to the procurement list.

SUMMARY: This action adds to the Procurement List commodities and a service to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

EFFECTIVE DATE: March 9, 1998.

ADDRESS: Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Gteway 3, Suite 310, 1215 Jefferson Davis Highway, Arlington, Virginia 22202-4302.

FOR FURTHER INFORMATION CONTACT: Beverly Milkman (703) 603-7740.

SUPPLEMENTARY INFORMATION: On November 28, 1997, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice (62 FR 63314) of proposed additions to the Procurement List.

The following comments pertain to Janitorial/Custodial, Front Royal, Virginia: Comments were received from the current contractor in response to a sales data request. The contractor noted that cleaning the Canine Enforcement Training Center is a very challenging job which requires an aggressive service schedule. The contractor also noted that all its employees need the work and hope to be allowed to continue doing it.

The nonprofit agency which will be cleaning the Center has been found capable of doing so based in part on the contracting officer's statement that he is aware of the agency's performance and management capability based on its other Federal work in the area, made in connection with a waiver of the contracting activity's opportunity to conduct a capability survey of the nonprofit agency. The Committee is confident the nonprofit agency will be able to perform all the requirements of cleaning the Center in a thoroughly acceptable manner.

The contractor's employees are not the only ones who need the work. Putting this service on the Procurement List will allow workers with severe disabilities, who have an unemployment rate far above that of nondisabled workers, to be gainfully employed.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodities and service and impact of the additions on the current or most recent contractors, the Committee has determined that the commodities and service listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities.

The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities and service to the Government.

2. The action will not have a severe economic impact on current contractors for the commodities and service.

3. The action will result in authorizing small entities to furnish the commodities and service to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities and service proposed for addition to the Procurement List.

Accordingly, the following commodities and service are hereby added to the Procurement List:
