BILLING CODE 4910-13-U

DEPARTMENT OF LABOR

Pension and Welfare Benefits Administration

29 CFR Part 2510

RIN 1210-AA48

Plans Established or Maintained Pursuant to Collective Bargaining Agreements Under Section 3(40)(A) of ERISA

AGENCY: Pension and Welfare Benefits Administration, Department of Labor.

ACTION: Notice of meeting.

SUMMARY: The Department of Labor's (Department) ERISA Section 3(40) Negotiated Rulemaking Advisory Committee (Committee) was established under the Negotiated Rulemaking Act of 1990 and the Federal Advisory Committee Act (the FACA) to develop a proposed rule implementing the Employee Retirement Income Security Act of 1974, as amended, 29 U.S.C. 1001-1461 (ERISA). The purpose of the proposed rule is to establish a process and criteria for a finding by the Secretary of Labor that an agreement is a collective bargaining agreement for purposes of section 3(40) of ERISA. The proposed rule will also provide guidance for determining when an employee benefit plan is established or maintained under or pursuant to such an agreement. Employee benefit plans that are established or maintained for the purpose of providing benefits to the employees of more than one employer are "multiple employer welfare arrangements" (MEWAs) under section 3(40) of ERISA, and therefore are subject to certain state regulations, unless they meet one of the exceptions set forth in section 3(40)(A). At issue in this regulation is the exception for plans or arrangements that are established or maintained under one or more agreements which the Secretary finds to be collective bargaining agreements. It is the view of the Department that it is necessary to distinguish organizations that provide benefits through collectively bargained employee

representation from organizations that are primarily in the business of marketing commercial insurance products.

DATES: The Committee will meet from 9:00 am to approximately 5:00 pm on each day on Wednesday, December 16 and Thursday, December 17, 1998.

ADDRESSES: This Committee meeting will be held at the offices of the Federal Mediation and Conciliation Service (FMCS), 2100 K Street, NW, Room 200, Washington, DC 20427. All interested parties are invited to attend this public meeting. Seating is limited and will be available on a first-come, first-serve basis. Individuals with disabilities wishing to attend should contact, at least 4 business days in advance of the meeting, Patricia Arzuaga, Office of the Solicitor, Plan Benefits Security Division, U.S. Department of Labor, Room N-4611, 200 Constitution Avenue, NW, Washington, DC 20210 (telephone (202) 219-4600; fax (202) 219-7346), if special accommodations are needed. The date, location and time for subsequent Committee meetings will be announced in advance in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Patricia Arzuaga, Office of the Solicitor, Plan Benefits Security Division, U.S. Department of Labor, Room N-4611, 200 Constitution Avenue, NW, Washington, DC 20210 (telephone (202) 219-4600; fax (202) 219-7346). This is not a toll-free number.

SUPPLEMENTARY INFORMATION: Minutes of all public meetings and other documents made available to the Committee will be available for public inspection and copying in the Public Documents Room, Pension and Welfare Benefits Administration, U.S. Department of Labor, Room N-5638, 200 Constitution Avenue, NW, Washington, DC from 8:30 a.m. to 5:30 p.m. Any written comments on these minutes should be directed to the ERISA 3(40) Negotiated Rulemaking Advisory Committee, and sent to the Public Documents Room, Pension and Welfare Benefits Administration, U.S. Department of Labor, Room N-5638, 200 Constitution Avenue, NW, Washington, DC, Telephone (202) 219-8771. This is not a toll-free number.

Agenda

The Committee will first adopt the minutes of the previous meeting. The Committee will then discuss the key issues that the Committee members believe should be addressed by any guidance that the Committee may develop to implement section 3(40) of ERISA. The issues addressed in these

negotiations pertain to how the Department should develop a proposed rule that would facilitate determinations by the Department, employee benefit plans, and state insurance regulatory agencies as to whether a particular agreement is a collective bargaining agreement, and whether a plan is established or maintained under or pursuant to one or more collective bargaining agreements. Discussion of these issues is intended to help the Committee members define the scope of a possible proposed rule.

Members of the public may file a written statement pertaining to the subject of this meeting by submitting 15 copies on or before December 11, 1998 to Patricia Arzuaga, Office of the Solicitor, Plan Benefits Security Division, U.S. Department of Labor, Room N-4611, 200 Constitution Avenue, NW, Washington, DC 20210. Individuals or representatives wishing to address the Committee should forward their request to Ms. Arzuaga or telephone (202) 219-4600, x153. During each day of the negotiation session, time permitting, there shall be time for oral public comment. Members of the public are encouraged to keep oral statements brief, but extended written statements may be submitted for the record.

Organizations or individuals may also submit written statements for the record without presenting an oral statement. 15 copies of such statements should be sent to Ms. Arzuaga at the address below. Papers will be accepted and included in the record of the meeting if received on or before December 11, 1998.

Signed at Washington, DC, this 17th day of November, 1998.

Meredith Miller,

Deputy Assistant Secretary for Policy, Pension and Welfare Benefits Administration.

Approval and Promulgation of State Plans for Designated Facilities and Pollutants; Illinois; Control of Landfill Gas Emissions from Existing Municipal Solid Waste Landfills

AGENCY: Environmental Protection Agency (USEPA).

ACTION: Proposed rule.

SUMMARY: USEPA is proposing to approve the Illinois State Plan submittal

for implementing the Municipal Solid Waste (MSW) Landfill Emission Guidelines. The State's plan was submitted to USEPA on July 21, 1998 in accordance with the requirements for adoption and submittal of State plans for designated facilities in title 40 of the Code of Federal Regulations part 60 (40 CFR part 60), subpart B. In the final rules section of this **Federal Register**, the USEPA is approving the State's request as a direct final rule without prior proposal because USEPA views this action as noncontroversial and anticipates no adverse comments. A detailed rationale for approving the State's request is set forth in the direct final rule. The direct final rule will become effective without further notice unless USEPA receives relevant adverse written comment. Should USEPA receive such comment, it will publish a timely withdrawal informing the public that the direct final rule will not take effect and such public comment received will be addressed in a subsequent final rule based on the proposed rule. If no adverse written comments are received, the direct final rule will take effect on the date stated in that document, and no further action will be taken. USEPA does not plan to institute a second comment period on this action. Any parties interested in commenting on this action should do so at this time.

DATES: Written comments must be received on or before December 23, 1998.

ADDRESSES: Written comments may be mailed to J. Elmer Bortzer, Chief, Regulation Development Section, Air Programs Branch (AR-18J), Region 5 at the address listed below.

Copies of the materials submitted by the Illinois Environmental Protection Agency may be examined during normal business hours at the following location: Regulation Development Section, Air Programs Branch (AR-18J), U.S. Environmental Protection Agency, 77 West Jackson Boulevard, Chicago, Illinois, 60604.

FOR FURTHER INFORMATION CONTACT: Randolph O. Cano at (312) 886-6036.

SUPPLEMENTARY INFORMATION: For additional information see the direct final rule published in the rules section of this **Federal Register**.

Dated: October 28, 1998.

David A. Ullrich,

Acting Regional Administrator, Region 5.

Approval of Section 112(l) Program of Delegation; Michigan

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) proposes to approve Michigan's request for a mechanism of delegation of the Federal air toxic program pursuant to Section 112(l) of the Clean Air Act of 1990. In the "Final Rules" section of this **Federal Register**, the EPA is approving the State's request as a direct final rule without prior proposal because EPA views this action as noncontroversial and anticipates no adverse comments. A detailed rationale for approving the State's request is set forth in the direct final rule. The direct final rule will become effective without further notice unless EPA receives relevant adverse written comment. Should EPA receive such comment, it will publish a timely withdrawal informing the public that the direct final rule will not take effect, and such public comment received will be addressed in a subsequent final rule based on the proposed rule. If no adverse written comments are received, the direct final rule will take effect on January 22, 1999, and no further action will be taken. EPA does not plan to institute a second comment period on this action. Any parties interested in commenting on this action should do so at this time.

DATES: Written comments must be received on or before December 23, 1999.

ADDRESSES: Written comments may be mailed to Robert B. Miller, Chief, Permits and Grants Section, Air Programs Branch (AR-18J), Region 5 at the address listed below.

Copies of the materials submitted by the Michigan Department of Environmental Quality (MDEQ) may be examined during normal business hours at the following locations:

Permits and Grants Section, Air Programs Branch (AR-18J), U.S. Environmental Protection Agency, 77 West Jackson Boulevard, Chicago, Illinois, 60604
Air Quality Division, Michigan Department of Environmental Quality, 106 West Allegan Street, Lansing, Michigan 48909

National Oil and Hazardous Substances Pollution Contingency Plan National Priorities List

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of intent to delete Cedartown Municipal Landfill Superfund site from the National Priorities List (NPL); request for comments.

SUMMARY: EPA, Region 4 (EPA) announces its intent to delete the Cedartown Municipal Landfill Superfund Site from the NPL and requests public comment on this proposed action. The NPL constitutes appendix B of 40 CFR part 300 which is the National Oil and Hazardous Substances Pollution Contingency Plan (NCP), which EPA promulgated pursuant to section 105 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA). EPA and the State of Georgia (State) have determined that all appropriate CERCLA actions have been implemented and that no further cleanup by responsible parties is appropriate under CERCLA. Moreover, EPA and the state have determined that remedial activities conducted at the site to date have been protective of public health, welfare, and the environment.

DATES: Comments concerning the proposed deletion of this Site will be accepted until December 23, 1998.

ADDRESSES: Comments may be mailed to: Annie M. Godfrey, Remedial Project Manager, South Site Management Branch, Waste Management Division, U.S. Environmental Protection Agency,
