### The Proposal

The FAA is considering an amendment to part 71 of the Federal Aviation Regulations (14 CFR Part 71) to amend Class E airspace at Carrollton, GA. The NDB or GPS RWY 34 and the LOC RWY 34 SIAP's have been amended to the West Georgia Regional Airport. As a result, the length of the Class E airspace extension south of the NDB would be reduced from 9 to 7 miles and the width of the airspace extension would be increased from 6 to 7 miles. Class E airspace designations for airspace areas extending upward from 700 feet or more above the surface are published in Paragraph 6005 of FAA Order 7400.9F dated September 10, 1998, and effective September 16, 1998, which is incorporated by reference in 14 CFR 71.1 The Class E airspace designation listed in this document would be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

#### Notice and Recordkeeping for Making and Distributing Phonorecords

**AGENCY:** Copyright Office, Library of Congress.

**ACTION:** Reopening of reply comment period.

**SUMMARY:** The Copyright Office of the Library of Congress is reopening the reply comment period on the requirements by which copyright owners shall receive reasonable notice of the use of their works in the making and distribution of phonorecords.

**DATES:** Comment period is reopened to December 11, 1998.

Box 70400, Southwest Station, Washington, D.C. 20024. If hand delivered, an original and ten copies of the reply comments should be brought to: Office of the Copyright General Counsel, James Madison Memorial Building, Room LM-403, First and Independence Avenue, S.E., Washington, D.C. 20559-6000.

**FOR FURTHER INFORMATION CONTACT:** David O. Carson, General Counsel, or Tanya M. Sandros, Attorney Advisor, Copyright GC/I&R, P.O. Box 70400, Southwest Station, Washington, D.C. 20024. Telephone (202) 707-8380 or Telefax (202) 707-8366.

**SUPPLEMENTARY INFORMATION:** On September 4, 1998, the Copyright Office published a notice of inquiry seeking comments on the requirements by which copyright owners shall receive reasonable notice of the use of their works in the making and distribution of phonorecords. 63 FR 47215 (September 4, 1998). The Digital Performance Right in Sound Recordings Act of 1995, Pub. L. 104-39 (1995), requires the Librarian of Congress to establish these regulations to ensure proper payment to copyright owners for the use of their works. 17 U.S.C. 115(c)(3)(D). Comments were timely filed by the American Society of Composers, Authors and Publishers (ASCAP), Broadcast Music, Inc. (BMI), and the National Music Publishers' Association, Inc. (NMPA) and the Recording Industry Association of America, Inc. (RIAA). Reply comments were due to be filed on November 18, 1998.

The Office, however, has decided to reopen the deadline for filing reply comments by a period of two weeks beginning from the date of publication of this notice. The Office takes this action in response to a request to reopen the reply comment period by two weeks to December 2, 1998. It is argued in the request that the complexity of the issues involved in the adoption of notice and recordkeeping procedures for the making and distribution of phonorecords merits additional time in which to file reply comments. The Office agrees with this analysis and thus grants the request to reopen the reply comment period. The Office sets the reopened deadline for filing reply comments two weeks from publication of this notice in the **Federal Register** in order to afford all interested parties sufficient time in which to file their reply comments.

Dated: November 23, 1998.
