Decision List No. 53; Week of September 29 Through October 3, 1997**Appeals**

Richard R. McNulty, 10/1/97, VFA-0331

The DOE's Office of Hearings and Appeals (OHA) issued a decision

granting in part a Freedom of Information Act (FOIA) Appeal filed by Richard R. McNulty. McNulty sought the release of information withheld by the Richland Operations Office (Richland). In its decision, OHA found that Richland's withholding was not sufficiently explained and justified in its determination letter. OHA also ordered Richland to obtain a document which a Richland employee claimed he had taken home and "lost." Accordingly, the Appeal was remanded to Richland for completion of an expanded search for the lost document, and the issuance of a new determination letter.

Wilburn T. Dunlap, 9/29/97, VFA-0330

Wilburn T. Dunlap filed an Appeal from a partial denial by the Department of Energy's Albuquerque Operations Office (DOE/AL) of a request for information that he submitted under the

Freedom of Information Act. The Los Alamos National Laboratory was able to find some of the information requested. In considering the Appeal, the DOE found that DOE/AL had conducted an adequate search for responsive documents, and it accordingly denied the Appeal.

Personnel Security Hearing

Personnel Security Hearing, 9/30/97, VSO-0153

A Hearing Officer Opinion recommended that an individual be granted access authorization. The Opinion found that the individual had resolved his financial problems and was behaving responsibly. The Opinion also found that the individual's omission of certain information on a security

questionnaire did not involve an intent to deceive and that he could be entrusted with security matters.

Supplemental Order

Crysen Corporation, 9/29/97, VFX-0013

The Office of Hearings and Appeals found that the money contained in the subaccount funded by Crysen Corporation was subject to the provisions of the Stripper Well Settlement Agreement. Accordingly the OHA ordered the DOE's Office of the Controller to make available the Crysen funds for distribution in the following manner: 40 percent to the Federal government, 40 percent to the State governments, and 20 percent to crude oil claimants.

Refund Application

State Escrow Distribution, 10/3/97, RF302-20

The Office of Hearings and Appeals ordered the DOE's Office of the Controller to distribute \$23,500,000 to the State Governments. The use of the funds by the States is governed by the Stripper Well Settlement Agreement.

The Office of Hearings and Appeals issued the following Decisions and Orders concerning refund applications, which are not summarized. Copies of the full texts of the Decisions and Orders are available in the Public Reference Room of the Office of Hearings and Appeals.
