[FTR Amendment 75—1998 Edition]

RIN 3090–AG86

**Federal Travel Regulation; General and
Temporary Duty (TDY) Travel
Allowances**AGENCY: Office of Governmentwide
Policy, GSA.

ACTION: Final rule.

SUMMARY: An analysis of lodging and meal cost survey data reveals that the listing of maximum per diem rates for locations within the continental United States (CONUS) should be updated to provide for the reimbursement of Federal employees' expenses covered by per diem. This final rule increases/decreases the maximum lodging amounts in certain existing per diem localities, adds new per diem localities, deletes a number of previously designated per diem localities, removes taxes from lodging rates, allows lodging taxes to be reimbursed as a miscellaneous expense, establishes more than one per diem rate within some counties, lists many previously combined locations separately with different per diem rates, adds additional seasons (up to four) where appropriate, adds one additional meal tier, and allows laundry, cleaning and pressing of clothing expenses (previously included as an incidental expense) as a miscellaneous expense.

EFFECTIVE DATE: This final rule is effective January 1, 1999, and applies to official travel performed on or after January 1, 1999.

FOR FURTHER INFORMATION CONTACT: Jim Harte, telephone (202) 501–0483.

SUPPLEMENTARY INFORMATION:**A. Background**

There are significant changes in this final rule, regarding payment of expenses in connection with official travel.

What are the significant changes?

The significant changes are that this rule:

- (a) Extracts taxes from lodging rates;
- (b) Allows payment of actual costs for lodging taxes as a miscellaneous expense;
- (c) Adds additional seasons (up to four) where appropriate;
- (d) Provides for more than one per diem rate within a county, where needed;

- (e) Separates previously combined locations to provide for separate per diem rates (e.g., Alexandria and Arlington, Virginia, are now listed separately from the District of Columbia);

- (f) Provides one new meal and incidental expense (M&IE) tier;

- (g) Increases/decreases maximum lodging amounts in certain existing localities;

- (h) Removes laundry, cleaning and pressing of clothing from incidental expenses and includes them as reimbursable miscellaneous expenses.

The rule requires a minimum of 4 consecutive nights lodging to qualify for miscellaneous laundry expenses reimbursement;

- (i) Adds new per diem localities; and

- (j) Deletes a number of previously designated per diem localities.

B. Executive Order 12866

The General Services Administration (GSA) has determined that this final rule is not a significant regulatory action for the purposes of Executive Order 12866 of September 30, 1993.

C. Regulatory Flexibility Act

This final rule is not required to be published in the **Federal Register** for notice and comment; therefore, the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, does not apply.

D. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the proposed revisions do not impose recordkeeping or information collection requirements, or the collection of information from offerors, contractors, or members of the public which require the approval of the Office of Management and Budget under 44 U.S.C. 501 *et seq.*

E. Small Business Reform Act

This final rule is also exempt from congressional review prescribed under 5 U.S.C. 801 since it relates solely to agency management and personnel.

For the reasons set forth in the preamble, 41 CFR parts 300–3, 301–11, 301–12 and Appendix A to chapter 301 are amended to read as follows:

PART 300–3—GLOSSARY OF TERMS

1. The authority citation for part 300–3 continues to read as follows:

Authority: 5 U.S.C. 5707; 5 U.S.C. 5738; 5 U.S.C. 5741–5742; 20 U.S.C. 905(a); 31 U.S.C.

1a. Section 300–3.1 is amended by revising the term “Per diem allowance” and removing the term “Subsistence expenses”, to read as follows:

§ 300–3.1 What do the following terms mean?

* * * * *

Per diem allowance—The per diem allowance (also referred to as subsistence allowance) is a daily payment instead of reimbursement for actual expenses for lodging (excluding taxes), meals, and related incidental expenses. The per diem allowance is separate from transportation expenses and other miscellaneous expenses. The per diem allowance covers all charges, including any service charges where applicable for:

(a) *Lodging*. Includes expenses, except lodging taxes, for overnight sleeping facilities, baths, personal use of the room during daytime, telephone access fee, and service charges for fans, air conditioners, heaters and fires furnished in the room when such charges are not included in the room rate. Lodging does not include accommodations on airplanes, trains, buses, or ships. Such cost is included in the transportation cost and is not considered a lodging expense.

(b) *Meals*. Expenses for breakfast, lunch, dinner and related tips and taxes (specifically excluded are alcoholic beverage and entertainment expenses, and any expenses incurred for other persons).

(c) *Incidental expenses*. (1) Fees and tips given to porters, baggage carriers, bellhops, hotel maids, stewards or stewardesses and others on ships, and hotel servants in foreign countries.

(2) Transportation between places of lodging or business and places where meals are taken, if suitable meals cannot be obtained at the TDY site; and

(3) Mailing cost associated with filing travel vouchers and payment of Government-sponsored charge card billings.

PART 301–11—PER DIEM EXPENSES

2. The authority citation for part 301–11 continues to read as follows:

Authority: 5 U.S.C. 5707.

2a. In § 301–11.18 the table is revised to read as follows:

§ 301–11.18 What M&IE rate will I receive if a meal(s) is furnished at nominal or no cost by the Government or is included in the registration fee?

* * * * *

M&IE	\$30	\$34	\$38	\$42	\$46
Breakfast	6	7	8	9	9
Lunch	6	7	8	9	11
Dinner	16	18	20	22	24
Incidentals	2	2	2	2	2

3. Section 301-11.27 is revised to read as follows:

§ 301-11.27 Are taxes included in the lodging portion of the Government per diem rate?

No. Lodging taxes paid by you are reimbursable as a miscellaneous travel expense limited to the taxes on reimbursable lodging costs. For example, if your agency authorizes you a maximum lodging rate of \$50 per night, and you elect to stay at a hotel that costs \$100 per night, you can only claim the amount of taxes on \$50, which is the maximum authorized lodging amount.

4. Section 301-11.30 is revised to read as follows:

§ 301-11.30 What is my option if the Government lodging rate exceeds my lodging reimbursement?

You may request reimbursement on an actual expense basis, not to exceed 300 percent of the maximum per diem allowance.

Approval of actual expenses is usually in advance of travel and at the discretion of your agency. (See § 301-11.302.)

5. Section 301-11.31 is added to read as follows:

§ 301-11.31 Are laundry, cleaning and pressing of clothing expenses reimbursable?

Yes. The expenses incurred for laundry, cleaning and pressing of clothing at a TDY location are reimbursable as a miscellaneous travel expense. However, you must incur a minimum of 4 consecutive nights

lodging on official travel to qualify for this reimbursement.

PART 301-12—MISCELLANEOUS EXPENSES

6. The authority citation for part 301-12 continues to read as follows:

Authority: 5 U.S.C. 5707.

6a. Section 301-12.1 is revised to read as follows:

§ 301-12.1 What miscellaneous expenses are reimbursable?

When the following items have been authorized or approved by your agency, they will be reimbursed as a miscellaneous expense. Taxes for reimbursable lodging are deemed approved when lodging is authorized. Examples of such expenses include, but are not limited to the following:

General expenses	Fees to obtain money	Special expenses of foreign travel
Baggage expenses as described in § 301-12.2..	Fees for travelers checks	Commissions on conversion of foreign currency.
Services of guides, interpreters, and drivers. ...	Fees for money orders	Passport and/or visa fees.

Official telephone calls/service (see note)..		
Faxes, telegrams, cablegrams, or radiograms..		
Lodging taxes as prescribed in § 301-11.27..		
Laundry, cleaning and pressing of clothing expenses as prescribed in § 301-11.31..		

Note to § 301-12.1: You should use Government provided services for all official communications. When they are not available, commercial services may be used. Reimbursement may be authorized or approved by your agency.

7. Appendix A to chapter 301 is revised to read as follows:

Appendix A To Chapter 301—Prescribed Maximum Per Diem Rates for CONUS

The maximum rates listed below are prescribed under part 301-11 of this chapter for reimbursement of per diem expenses incurred during official travel within CONUS (the continental United States). The amount shown in column (a) is the maximum that will be reimbursed for lodging expenses excluding taxes. The M&IE rate shown in

column (b) is a fixed amount allowed for meals and incidental expenses covered by per diem. The per diem payment calculated in accordance with part 301-11 of this chapter for lodging expenses plus the M&IE rate may not exceed the maximum per diem rate shown in column (c). Seasonal rates apply during the periods indicated.

It is the policy of the Government, as reflected in the Hotel Motel Fire Safety Act of 1990 (Pub. L. No. 101-391, September 25, 1990 as amended by Pub. L. No. 105-85, November 18, 1997), referred to as "the Act" in this paragraph, to save lives and protect property by promoting fire safety in hotels, motels, and all places of public accommodation affecting commerce. In furtherance of the Act's goals, employees are encouraged to stay in a facility which is fire-safe, i.e., an approved accommodation, when commercial lodging is required. Lodgings

that meet the Government requirements are listed on the U.S. Fire Administration's Internet site at <http://www.usfa.fema.gov/hotel/index.htm>.

Note: Major changes in the coverage of per diem rates effective in this amendment are:

- Lodging rates do not include any taxes. They are now room rates only. Actual costs paid for lodging taxes may be reimbursed to the traveler as a miscellaneous expense (see 301-11).
- Additional seasons (up to four) have been added where appropriate.
- There may be more than one rate within a county now. Please read the tables carefully.

- Many previously combined locations are now shown separately with different rates (e.g., Alexandria, Arlington, Montgomery County, Prince Georges County, Fairfax County, and Loudoun County, are now listed separately from Washington, DC).

- There is one new M&IE tier: \$46.

/1/ Unless otherwise specified, the per diem locality is defined as "all locations within, or entirely surrounded by, the corporate limits of the key city, including independent entities located within those boundaries."

/2/ Per diem localities with county definitions shall include "all locations within, or entirely surrounded by, the corporate limits of the key city as well as the boundaries of the listed counties, including

independent entities located within the boundaries of the key city and the listed counties (unless otherwise listed separately)."

/3/ When a military installation or Government-related facility (whether or not specifically named) is located partially within more than one city or county boundary, the applicable per diem rate for the entire installation or facility is the higher of the two rates which apply to the cities and/or counties, even though part(s) of such activities may be located outside the defined per diem locality.

/4/ Federal agencies may submit a request to GSA for review of the costs covered by per diem in a particular city or area where the standard CONUS rate applies when travel to that location is repetitive or on a continuing basis and travelers' experiences indicate that the prescribed rate is inadequate. Other per diem localities listed in this appendix will be reviewed on an annual basis by GSA to determine whether rates are adequate. Requests for per diem rate adjustments shall be submitted by the agency headquarters office to the General Services Administration, Office of Governmentwide Policy, Attn: Travel and Transportation Management Policy Division (MTT), Washington, DC 20405. Agencies should designate an individual responsible for reviewing, coordinating, and submitting to GSA any requests from bureaus or subagencies. Requests for rate adjustments shall include a city designation, a description of the surrounding location involved (county or other defined area), and a recommended rate supported by a statement explaining the circumstances that cause the existing rate to be inadequate. The request also must contain an estimate of the annual number of trips to the location, the average duration of such trips, and the primary purpose of travel to the location. Agencies should submit their requests to GSA no later than May 1 in order for a city to be included in the annual review.

/5/ The standard CONUS rate of \$80 (\$50 for lodging and \$30 for M&IE) applies to all per diem localities in the State of North Dakota.

NOTE: Recognizing that all locations are not incorporated cities, the term "city limits" has been used as a general phrase to denote the commonly recognized local boundaries of the location cited.

Dated: November 27, 1998.

David J. Barram,

Administrator of General Services.
