of Request Under Blanket  
Authorization**

November 30, 1998.

Take notice that on November 23, 1998, El Paso Natural Gas Company (El Paso), P.O. Box 1492, El Paso, Texas 79978, filed in Docket No. CP99-88-000 a request pursuant to Sections 157.205 and 157.216 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.216) for authorization to abandon certain miscellaneous tap with appurtenances, and the service rendered under El Paso's blanket certificate issued in Docket No. CP82-435-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

El Paso proposes to abandon 24 miscellaneous taps, with associated appurtenances and the related natural gas service rendered by means of such facilities. The facilities are located in New Mexico. These facilities were required by El Paso to facilitate, generally, the delivery and/or measurement and sale of natural gas from its interstate transmission pipeline system to PNM Gas Service, a division of Public Service Company of New Mexico, for resale. El Paso states that the abandonments will not result in or cause any interruption, reduction or termination of natural gas service presently rendered by El Paso to any of its customers.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for

authorization pursuant to Section 7 of the Natural Gas Act.

**DEPARTMENT OF ENERGY****Federal Energy Regulatory  
Commission****[Docket No. CP99-85-000]****National Fuel Gas Supply Corporation;  
Notice of Application**

November 30, 1998.

Take notice that on November 23, 1998, National Fuel Gas Supply Corporation (National Fuel), 10 Lafayette Square, Buffalo, New York 14203, filed in Docket No. CP99-85-000 an application pursuant to Section 7(b) of the Natural Gas Act for permission and approval to abandon certain facilities in Venango County, Pennsylvania, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

National Fuel proposes to abandon approximately 5,822 feet of 6-inch steel pipeline, known as Line N-M31, located in Venango County, Pennsylvania, because of its age and deteriorated condition. National Fuel also proposes to abandon in its entirety Station T-No. 2261, a regulator station, located on Line N-M31, which was used to reduce the pressure of Line N-M31 to 60 psig. National Fuel states that the abandonment will not have an effect on its existing services because National Fuel's existing parallel Line N-M43 has sufficient capacity to maintain current delivery volumes and will provide more reliable service.

Any person desiring to be heard or to make any protest with reference to said Application should on or before December 21, 1998, file with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.211 or 18 CFR 385.214) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene

in accordance with the Commission's Rules.

Take further notice that pursuant to the authority contained in and subject to the jurisdiction conferred upon the Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this Application if no petition to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the abandonment is required by the public convenience and necessity. If a petition for leave to intervene is timely filed, or if the Commission, on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Applicant to appear or be represented at the hearing.
