## DEPARTMENT OF JUSTICE

### Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act

Under 28 C.F.R. § 50.7, notice is hereby given that on November 24, 1998, a third round of settlements according to the terms of a partial Consent Decree ("Decree") previously lodged in *United States v. Keystone Sanitation Company, Inc., et al.*, Civil Action No. 1:CV-93-1482, was lodged with the United States District Court for the Middle District of Pennsylvania.

On September 27, 1993, the United States filed a complaint pursuant to Section 107(a) of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), 42 U.S.C. § 9607(a) against the owners and operator of, and certain parties who arranged for the disposal or treatment of hazardous substances at the Keystone Landfill Superfund Site (the "Site") in Union Township, Adams County, PA. Several of the defendants sued approximately 180 third-party defendants, who in turn sued approximately 600 fourth party defendants, including the third and fourth-party defendants proposed for addition to the de micromis Consent Decrees lodged previously in this action.

The proposed settlement of an additional 34 parties is based upon the same Decree previously lodged with the United States District Court for the Middle District of Pennsylvania for public comment on April 5, 1996. 61 Fed. Reg. 18411 (April 25, 1996). Settlement of an additional 73 parties, based upon the same Decree, was lodged with the United States District Court. This proposed Decree, entered into under Section 122(g) of CERCLA, 42 U.S.C. § 9622(g) resolves the liability of parties determined by EPA to be "de micromis", which for purposes of this Site means that they contributed less than 1800 cubic yards of municipal solid waste, and within such amount, less than 55 gallons or 100 pounds of materials contain hazardous substances. The defendants will pay \$1 each. With the April 5, 1996 and May 5, 1996 lodgings, the United States solicited public comment upon the proposed Decree's resolution of a total of 168 third and fourth party Defendant's liability for response costs incurred and to be incurred at the Site. With today's notice, the United States seeks comment on its settlement according to the terms of this Decree with an additional 34 more parties.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the proposed settlement with an additional 34 parties according to the terms of the Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, Department of Justice, Washington, D.C. 20530 and should refer to *United States v. Keystone Sanitation Company, Inc. et al.*, DOJ No. 90-11-2-656A.

The Decree may be examined at the Office of the United States Attorney, Middle District of Pennsylvania, Federal Building and Courthouse, 228 Walnut Street, Room 217, Harrisburg, Pennsylvania, 17108; Region III Office of the Environmental Protection Agency, 1650 Arch Street, Philadelphia, PA 19103; and at the Consent Decree Library, 1120 G Street, N.W., 3rd Floor, Washington, D.C. 20005 (202) 624-0892. A copy of the Decree may be obtained in person or by mail from the Consent Decree Library, 1120 G Street, N.W., 3rd Floor, Washington, D.C. 20005. In requesting a copy, please enclose a check in the amount of \$10.00 (twenty-five cents per page reproduction costs) payable to the "Consent Decree Library." In requesting a copy exclusive of defendants' signatures, please enclose a check in the amount of \$1.50 payable to the Consent Decree Library.

In addition, copies of the Decree, as well as the record supporting EPA's eligibility determinations regarding the present 34 defendants proposed for addition to the Decree, are available at the following record repositories established by EPA near the Site pursuant to Section 117(d) of CERCLA, 42 U.S.C. § 9617(d):
