Lucas Varity North American Light Vehicle Braking Systems, Mount Vernon, Ohio; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of October 22, 1998, the petitioners requested administrative reconsideration of the Department of Labor's Notices of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, petition TA-W-34,744, and NAFTA transitional adjustment assistance, petition NAFTA-02482. The denial notices were signed on August 28, 1998 and published in the **Federal Register** on September 28, 1998 (63 FR 51605-06).

The petitioners allege that the subject firm shifted production of certain brake systems and that such systems are currently being manufactured in Mexico and imported into the U.S.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.
