The recreation plan, previously approved by the Commission on April 11, 1997, included a provision for a 4.5-mile-long, 12-foot-wide hiking/biking trail between the project powerhouse and Cheat Haven Peninsula. The amendment application requests Commission approval to narrow the width of the trail from 12 to 4 feet for the section of trail between Manning's Run and the peninsula (3.1 miles). With the reduction in width, the amendment application further proposes to remove the "biking" designation from the 3.1 miles of trail between Manning's Run and the Cheat Haven Peninsula.

In addition to the above, the amendment application indicates the

licensee has offered to provide \$175,000 in funding, to the West Virginia Department of Natural Resources, for improvements to a hiking trail in the Snake Hill Wildlife Management Area. This proposal is intended to provide more shoreline access to project waters.
