

Francis) filed a petition for staff adjustment in the above-referenced docket, pursuant to section 502(c) of the Natural Gas Policy Act of 1978. Kaiser-Francis requests authorization to defer payment to KN Interstate Gas Transmission Co. (KNI) and to escrow certain portions of the remaining refunds allegedly due KNI. Kaiser-Francis' petition is on file with the Commission and open to public inspection.

Kaiser-Francis contends that it is substantially and adversely affected by the potential Kansas ad valorem tax refund requirement to KNI and that, although it cannot support a request for total refund relief under the Commission's September 10, 1997 refund order [80 FERC ¶61,264 (1997)] and January 28, 1998 order denying rehearing [82 FERC ¶61,058 (1998)], the refund obligation has a harsh impact on Kaiser-Francis. Kaiser-Francis adds that it did not become aware of KNI's refund claim until December 19, 1998. Therefore, Kaiser-Francis requests authorization to defer the payment of the principal and interest attributable to royalties until March 9, 2000. In addition Kaiser-Francis seeks authorization to escrow, in a federally-insured financial institution: (1) the amounts attributable to royalty refunds which have not been collected from the royalty owner (principal and interest); (2) interest on royalty amounts which have been recovered from the royalty owners (the principal of which has been refunded); and (3) interest on the total amount of refunds allegedly due (excluding royalties).

Any person desiring to be heard or to make any protest with reference to said petition should on or before 15 days after the date of the publication in the **Federal Register** of this notice, file with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, a motion to intervene or protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214, 385.211, 385.105 and 385.1106). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the Protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.
