### Bureau of Land Management

[NV-930-1430-05; N-63252]

#### Notice of Realty Action: Lease/Conveyance for Recreation and Public Purposes

**AGENCY:** Bureau of Land Management, DOI.

**ACTION:** Recreation and Public Purpose Lease/Conveyance.

**SUMMARY:** The following described public land in Las Vegas, Clark County, Nevada has been examined and found suitable for lease/conveyance for recreational or public purposes under the provisions of the Recreation and Public Purposes Act, as amended (43 U.S.C. 869 et seq.). The City of Las Vegas proposes to use the land for a Public Park to include soccer fields, playgrounds, administration building, parking area, boundary fence, picnic areas and restrooms.

#### Mount Diablo Meridian, Nevada

T. 20S. R. 60E.

Sec. 22, SE $\frac{1}{4}$ NW $\frac{1}{4}$

Containing 40 acres, more or less.

The land is not required for any federal purpose. Although the land is currently withdrawn (60 FR 25149) under Public Land Order 7142 for a Bureau of Land Management administrative office site, it has been determined that the lands are no longer needed for that purpose. Concurrence has been received to allow for a lease/patent for the Public Park while the withdrawal is in process of revocation. The lease/conveyance is consistent with current Bureau planning for this area and would be in the public interest. The lease/patent, when issued, will be subject to the provisions of the Recreation and Public Purposes Act and applicable regulations of the Secretary of the Interior, and will contain the following reservations to the United States:

1. A right-of-way thereon for ditches or canals constructed by the authority of

the United States, Act of August 30, 1890 (43 U.S.C. 945).

2. All minerals shall be reserved to the United States, together with the right to prospect for, mine and remove such deposits from the same under applicable law and such regulations as the Secretary of the Interior may prescribe.

And will be subject to:

An easement 50 feet in width along the South boundary, 40 feet in width along the East boundary, 50 feet in width along the West boundary, 30 feet in width along the North boundary in favor of the City of Las Vegas for roads, public utilities and flood control purposes. This lease/conveyance will also be subject to the Nevada Power Co., right-of-way case file NEV-061618. Detailed information concerning this action is available for review at the office of the Bureau of Land Management, Las Vegas Field Office, 4765 W. Vegas Drive, Las Vegas, Nevada.

Upon publication of this notice in the **Federal Register**, the above described land will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease/conveyance under the Recreation and Public Purposes Act, leasing under the mineral leasing laws and disposals under the mineral material disposal laws. For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested parties may submit comments regarding the proposed lease/conveyance for classification of the lands to the Field Manager, Las Vegas Field Office, 4765 Vegas Dr., Las Vegas, Nevada 89108.

#### Classification Comments

Interested parties may submit comments involving the suitability of the land for a Public Park. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

**APPLICATION COMMENTS:** Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for a Public Park.

Any adverse comments will be reviewed by the State Director. In the

absence of any adverse comments, the classification of the land described in this Notice will become effective 60 days from the date of publication in the **Federal Register**. The lands will not be offered for lease/conveyance until after the classification becomes effective.

Dated: April 15, 1999.

### National Park Service

#### Grand Portage National Monument; Intent To Prepare a General Management Plan and Environmental Impact Statement

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice of Intent to Prepare a General Management Plan and Environmental Impact Statement for Grand Portage National Monument, Minnesota.

**SUMMARY:** The National Park Service (NPS) will prepare a General Management Plan (GMP) and an associated Environmental Impact Statement (EIS) for Grand Portage National Monument, Minnesota, in accordance with section 102(2)(C) of the National Environmental Policy Act of 1969 (NEPA). This notice is being furnished as required by NEPA Regulations 40 CFR 1501.7.

To facilitate sound planning and environmental assessment, the NPS

intends to gather information necessary for the preparation of the EIS, and to obtain suggestions and information from other agencies and the public on the scope of issues to be addressed in the EIS. Comments and participation in this scoping process are invited.

Participation in the planning process will be encouraged and facilitated by various means, including newsletters and open houses. The NPS will conduct a series of public scoping meetings to explain the planning process and to solicit opinion about issues to address in the GMP/EIS. Notification of all such meetings will be announced in the local press and in NPS newsletters.

**ADDRESSES:** Written comments and information concerning the scope of the EIS and other matters, or requests to be added to the project mailing list should be directed to: Mr. Tim Cochrane, Superintendent, Grand Portage National Monument, PO Box 668, Grand Marais, Minnesota 55604-0668, 218-387-2788, tim\_cochrane@nps.gov

#### FOR FURTHER INFORMATION CONTACT:

Superintendent, Grand Portage National Monument, at the address and telephone number above.

**SUPPLEMENTARY INFORMATION:** Grand Portage National Historic Site was designated September 15, 1951. It was redesignated Grand Portage National Monument when it was established September 2, 1958 (72 Stat. 1751). The park consists of three distinct contiguous areas: (1) The site of the Northwest Company's Lake Superior trading post where, during the late 18th and early 19th centuries, trade goods were offloaded for transport by the voyageurs into western Canada and the United States and where furs from the interior were loaded for the return trip east, (2) the route of the nine mile portage that connected the trading post to Fort Charlotte, and (3) the site of Fort Charlotte at the northern end of the portage where goods were loaded into canoes for the trip into the interior and furs from the interior collected for shipment down the portage to Lake Superior. In all, the National Monument consists of 709.97 acres, all in Federal ownership.

In accordance with NPS park planning policy, the GMP will ensure Grand Portage National Monument has a clearly defined direction for resource preservation and visitor use. It will be developed in consultation with servicewide program managers, interested parties, and the general public. It will be based on an adequate analysis of existing and potential resource conditions and visitor experiences, environmental impacts,
