#### November 1998 Sunset Reviews: Final Results and Revocations

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of final results of sunset reviews and revocation of antidumping duty order and termination of suspended countervailing duty investigation: brass fire protection equipment from Italy (A-475-401) and refrigeration compressors from Singapore (C-559-001).

**SUMMARY:** On November 2, 1998, the Department of Commerce ("the Department") initiated sunset reviews of the antidumping duty order on brass fire protection equipment from Italy and on the suspended countervailing duty investigation on refrigeration compressors from Singapore. Because no domestic interested party responded to the sunset review notice of initiation by the applicable deadline, the Department is revoking this order and terminating this suspended investigation.

**EFFECTIVE DATE:** January 1, 2000.

**FOR FURTHER INFORMATION CONTACT:** Martha V. Douthit, Scott E. Smith, or Melissa G. Skinner, Import Administration, International Trade Administration, U.S. Department of Commerce, Pennsylvania Avenue and 14th Street, NW, Washington, DC 20230; telephone: (202) 482-3207, (202) 482-6397, or (202) 482-1560 respectively.

**SUPPLEMENTARY INFORMATION:**

### Background

The Department issued an antidumping duty order on brass fire protection equipment from Italy (50 FR 8354, March 1, 1985). In addition, the Department suspended the countervailing duty investigation on refrigeration compressors from Singapore (48 FR 51167, November 7, 1983, as amended, 48 FR 51946, November 15, 1983). Pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"), the Department initiated sunset reviews of this order and suspended investigation by publishing notice of the initiation in the **Federal Register** (63 FR 58709, November 2, 1998). In addition, as a courtesy to interested parties, the Department sent letters, via certified and registered mail, to each party listed on the Department's most current service list for these proceedings to inform them of the automatic initiation of a sunset review on this order and suspended investigation.

No domestic interested parties in the sunset reviews of this order and suspended investigation responded to the notice of initiation by the November 17, 1998, deadline (see section 351.218(d)(1)(i) of *Procedures for Conducting Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*, 63 FR 13520 (March 20, 1998) ("*Sunset Regulations*").

### Determination To Revoke

Pursuant to section 751(c)(3)(A) of the Act and section 351.218(d)(1)(iii)(B)(3) of the *Sunset Regulations*, if no interested party responds to the notice of initiation, the Department shall issue a final determination, within 90 days after the initiation of the review, revoking the finding or order or terminating the suspended investigation. Because no domestic interested party responded to the notice of initiation by the applicable deadline, November 17, 1998 (see section 351.218(d)(1)(i) of the *Sunset Regulations*), we are revoking this antidumping duty order and terminating this suspended investigation.

### Effective Date of Revocation and Termination

Pursuant to section 751(c)(6)(A)(iv) of the Act, the Department will instruct the United States Customs Service to terminate the suspension of liquidation of the merchandise subject to this order entered, or withdrawn from warehouse, on or after January 1, 2000. Entries of subject merchandise prior to the effective date of revocation will

continue to be subject to suspension of liquidation and duty deposit requirements. The suspension agreement on refrigeration compressors from Singapore will remain in effect until January 1, 2000. The Department will complete any pending administrative reviews of this order and suspended investigation and will conduct administrative reviews of all entries prior to the effective date of revocation in response to appropriately filed requests for review.

Dated: January 7, 1999.
