#### Establishment of a Moratorium on the Number of Commercial Outfitting Permits for the Public Land Administered by the BLM, Burns District; Designation Order; Moratorium on Commercial Outfitting Permits for the Burns District

**AGENCY:** Bureau of Land Management (BLM), Burns District, Portions of the Andrews and Three Rivers Resource Area, Burns, Oregon.

**SUMMARY:** The BLM, Burns District will conduct an environmental review which will analyze various alternatives, and address numerous issues concerning resource protection, recreation opportunities, and number of Special Recreation Permits (SRPs) issued by BLM, Burns District.

BLM has determined that a moratorium on the number of commercial outfitting permits is needed to hold commercial use at the existing 1999 levels, until the environmental review and analysis is completed.

By placing a moratorium on commercial permits for the District, this will allow BLM to collect baseline data, provide strategies for determining thresholds, and assess the kind of outfitter/guides and the services that they provide to the public. This environmental review will be specific to commercial outfitting and big game hunting.

The moratorium will go into effect immediately and remain in effect until the final environmental review is approved. Only those commercial outfitters that have a current SRP for the BLM, Burns District, as of May 1, 1999, will be allowed to apply in future years until the environmental review is final.

When the environmental review is approved, the moratorium will be lifted and constraints on the number of outfitting permits, kind of outfitters authorized associated with recreational activities, area of use, number of user days, if any, will be implemented.

Sales of outfitting businesses and any transfer of permits that may apply during the period of moratorium will be dealt with through BLM Recreation Permit Administration, Manual/Policy Statement and User Guide.

**EFFECTIVE DATE:** June 15, 1999.

**FOR FURTHER INFORMATION CONTACT:** Additional information concerning this moratorium on commercial outfitting permits in the Burns District may be

obtained from Fred McDonald, Natural Resource Specialist, Burns District Office, HC 74-12533 Highway 20 West, Hines, Oregon 97738, (541) 573-4453, or Fred\_McDonald@blm.gov.
