c. *Date Filed:* April 12, 1999.

d. *Applicant:* Potter Hydroelectric Authority.

e. *Name of Project:* Montgomery Locks and Dam Hydroelectric Project.

f. *Location:* On the Ohio River in Potter Township, in Beaver County, Pennsylvania. The project would utilize the U.S. Army Corps of Engineers Montgomery Locks and Dam and reservoir.

g. *Filed Pursuant to:* Federal Power Act, 16 U.S.C. 791(a)-825(r).

h. *Applicant Contact:* Richard A. Volkin, Engineering Company, Inc., P.O. Box 359, 600 Chapman Street, Canton, MA 02021, (781) 821-4338.

i. *FERC Contact:* Tom Dean, thomas.dean@ferc.fed.us, 202-219-2778.

j. *Deadline for filing comments, motions to intervene, and protests:* 60 days from the issuance date of this notice.

k. *Competing Application:* Project No. 11679-000, dated filed February 4, 1999, comment due date April 13, 1999.

All documents (original and eight copies) should be filed with: David P. Boergers, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426.

The Commission's Rules of Practice and Procedures require all intervenors filing documents with the Commission to serve a copy of the document on each person on the official service list for the project. Further, if an intervenor files

comments or documents with the Commission relating to the merits of an issue that affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

1. *The project would be located at the existing U.S. Army Corps of Engineers Montgomery Locks and Dam and would consist of the following proposed facilities:* (1) An open intake channel leading to; (2) a powerhouse containing four turbine generating units with a total installed capacity of 20,000 kW; (3) an open discharge tailrace; (4) an 18,850-foot-long, 34.5 or 69 kV transmission line; and (5) other appurtenances.

Applicant estimates that the average annual generation would be 105,000 MWh and that the cost of the studies under the permit would be \$288,000.

m. *Locations of the application:* A copy of the application is available for inspection and reproduction at the Commission's Public Reference Room, located at 888 First Street, NE, Room 2A, Washington, DC 20426, or by calling (202) 208-1371. The application may be viewed on the web at www.ferc.fed.us. Call (202) 208-2222 for assistance. A copy is also available for inspection and reproduction at the address in item h above.

Preliminary Permit—Public notice of the filing of the initial preliminary permit application, which has already been given, established the due date for filing competing preliminary permit applications or notices of intent. Any competing preliminary permit or development application or notice of intent to file a competing preliminary permit or development application must be filed in response to and in compliance with the public notice of the initial preliminary permit application. No competing applications or notices of intent to file competing applications may be filed in response to this notice.

Proposed Scope of Studies under Permit—A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

Comments, Protests, or Motions to Intervene—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211 and

.214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "COMMENTS", "NOTICE OF INTENT TO FILE COMPETING APPLICATION", "COMPETING APPLICATION", "PROTEST", "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary and an additional copy must be sent to Director, Division of Project Review, at the above-mentioned address. A copy of any notice of intent, competing application or motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

Agency Comments—Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.
