SUPPLEMENTARY INFORMATION:

Background

On April 24, 1998, the Commission
received a request to review its
affirmative determination as it applied
to imports of ferrosilicon from Brazil
(the request)¹ in light of changed
circumstances, pursuant to section
751(b) of the Act. The request was filed
by counsel on behalf of Associação
Brasileira dos Produtores de Ferroligas
e de Silício Metálico (ABRAFE),
Companhia Brasileira Carbureto de
Calcio (CBCC), Companhia de Ferroligas
de Bahia (FERBASA), Nova Era Silicon
S/A, Italmagnesio S/A-Industria e
Comercio, Rima Industrial S/A, and
Companhia Ferroligas Minas Gerais
(Minasligas).

Pursuant to section 207.45(b) of the
Commission's Rules of Practice and
Procedure (19 CFR 207.45(b)), the
Commission published a notice in the
Federal Register on May 20, 1998 (63
FR 27747), requesting comments as to
whether the alleged changed
circumstances warranted the institution
of review investigations. The
Commission received comments in
support of the request from C.V.G.
Venezolana de Ferrosilicio C.A.
(Fesilven), a Venezuelan producer of
ferrosilicon; General Motors Corp., a
purchaser of ferrosilicon; and the
Governments of Brazil and Kazakhstan.
Comments in opposition to the request
were received from counsel on behalf of
AIMCOR, American Alloys, Inc., Elkem
Metals Co., and SKW Metals & Alloys,
Inc., U.S. producers of ferrosilicon.
After reviewing these comments, the
Commission determined on July 28,
1998, that certain of the alleged changed
circumstances were sufficient to warrant
review investigations. See 63 FR 40314-
15. Among the issues that were briefed
by the parties to the investigations was
the fact that, between 1995 and 1997,
two members of the domestic industry
pleaded guilty to conspiring to fix prices
of commodity ferrosilicon products
during the periods of the Commission's
original investigations, and a third
member, and an officer of that member,
were convicted of conspiring to fix
prices of commodity ferrosilicon
products during the periods of the
Commission's original investigations.
The Commission has now decided to
suspend the section 751(b) reviews and
reconsider the original determinations.

*Participation in the reconsideration
and public service list:* Parties who have

¹ The request concerned only imports from Brazil.
However, as the alleged changed circumstances
predominantly relate to the domestic industry, the
Commission solicited comments on the possibility
of self-initiating reviews of the outstanding orders
on imports from China, Kazakhstan, Russia,
Ukraine, and Venezuela.
