Notice of Intent for Plan Amendment

AGENCY: Bureau of Land Management.

ACTION: Notice of intent—Proposal for plan amendment for the Moab Field Office Grand Resource Management Plan, Grand County, Utah.

SUMMARY: This notice of intent is to advise the public that the Bureau of Land Management (BLM) proposes to amend the 1985 Grand Resource Management Plan (RMP), which includes portions of Grand County, Utah. Since completion of the RMP, antelope have expanded west from the Utah-Colorado stateline and have also become established south of I-70.

The purpose for this plan amendment is to determine whether multiple-use management goals and objectives can be achieved and also allow for an expanding self-sustaining pronghorn herd. The activities and uses authorized by BLM which could be affected are oil and gas development and livestock grazing.

The existing Management Actions for wildlife habitat requirements (pronghorns' forage, water and spatial needs) are proposed to be amended. The major issue(s) and questions to be addressed include the following:

(1) Are pronghorn compatible or competitive with other rangeland resources? Specifically, are rangeland resources adequate to support both domestic livestock and an expanding self-sustaining pronghorn herd.

How could an expanding self-sustaining pronghorn herd affect the oil and gas industry?

(2) What geographic area should be delineated as suitable pronghorn habitat?

(3) What is the desired Herd Management Goal for the Cisco Desert pronghorn herd?

The livestock grazing allotments within the amendment area include: Green River Flat, Elgin, Horse Canyon, Floy Creek, Crescent Canyon, Athena, Ruby Ranch, Ten Mile Point, Big Flat Ten Mile, Crescent Junction, Monument Wash, Highlands, Cisco, Cisco Mesa, Sulphur Canyon, Corral Wash Canyon, Corral Wash, Winter Camp, Squaw Park, Agate, Little Hole, Pipeline, Harley Dome, San Arroyo and Bar X allotments.

DATES: Members of the public are encouraged to submit comments on this proposed amendment and the issues to be addressed. BLM will accept comments for 30 days from the date of

publication of this notice. Comments must be submitted on or before June 25, 1999.

ADDRESSES: Comments should be sent to Bill Stringer, Moab Field Office, Bureau of Land Management, 82 E. Dogwood Ave., Moab, Utah 84532.

FOR FURTHER INFORMATION CONTACT: Joe Cresto, Moab Field Office. (435) 259-2114.

SUPPLEMENTARY INFORMATION: Existing planning documents and information are available at the Moab Field Office, Bureau of Land Management, 82 E. Dogwood Ave., Moab, Utah 84532. (435) 259-6111.
